

Start June 20 On X-ray Tests For T.B. Survey

Newmarket will have another survey next month. The National Sanitarium Association is sponsoring a free chest x-ray survey for tuberculosis from June 20 to 27.

The last tuberculosis survey in Newmarket was held in 1947. Over a year ago Newmarket had a successful survey which was conducted by diabetes research scientists.

Again citizens will be able to have a check for tuberculosis without cost. It is the intention of the association to hold an x-ray survey every two years.

On Wednesday and Thursday, June 20 and 21, industrial employees will be x-rayed: The Office Specialty, Sangamo Electric on June 20 and the north end industries on June 21, 9 a.m. to 5 p.m.

The residential survey will be for four days from 1 p.m. to 9 p.m. every day. The following is a list of districts and the days they will be surveyed: north end, at St. John's school, Friday, June 22; west end at Stuart Scott school, Monday, June 25; east end at Alexander Muir school, June 26; north end at Prince Charles school, June 27.

Women's organizations asked to assist in the survey are the Catholic Women's League for St. Patrick's ward, the Legion Auxiliary for the district from Timothy St. north in St. George's ward, the Business and Professional Women's club and the Home and School association for St. George's ward south from Timothy St. and the Women's Institute for St. Andrew's ward.

The Newmarket Lions Club is co-operating with the Sanitarium Association in the sponsorship of the chest survey. George McCullough is chairman of the Lions' committee in charge of the survey.

Sgt. Major David O. Judd, 36, King, has enlisted in the Canadian Armored Corps in the Canadian active army. He enlisted for the second war in 1940 and earned the long service medal. At the age of nine he had joined a cadet corps in Aurora and has always been with the Queen's York Rangers, C squadron, at Aurora up to the time of his enlistment.

King Township By-law Protects New Home, Subdivision Owners

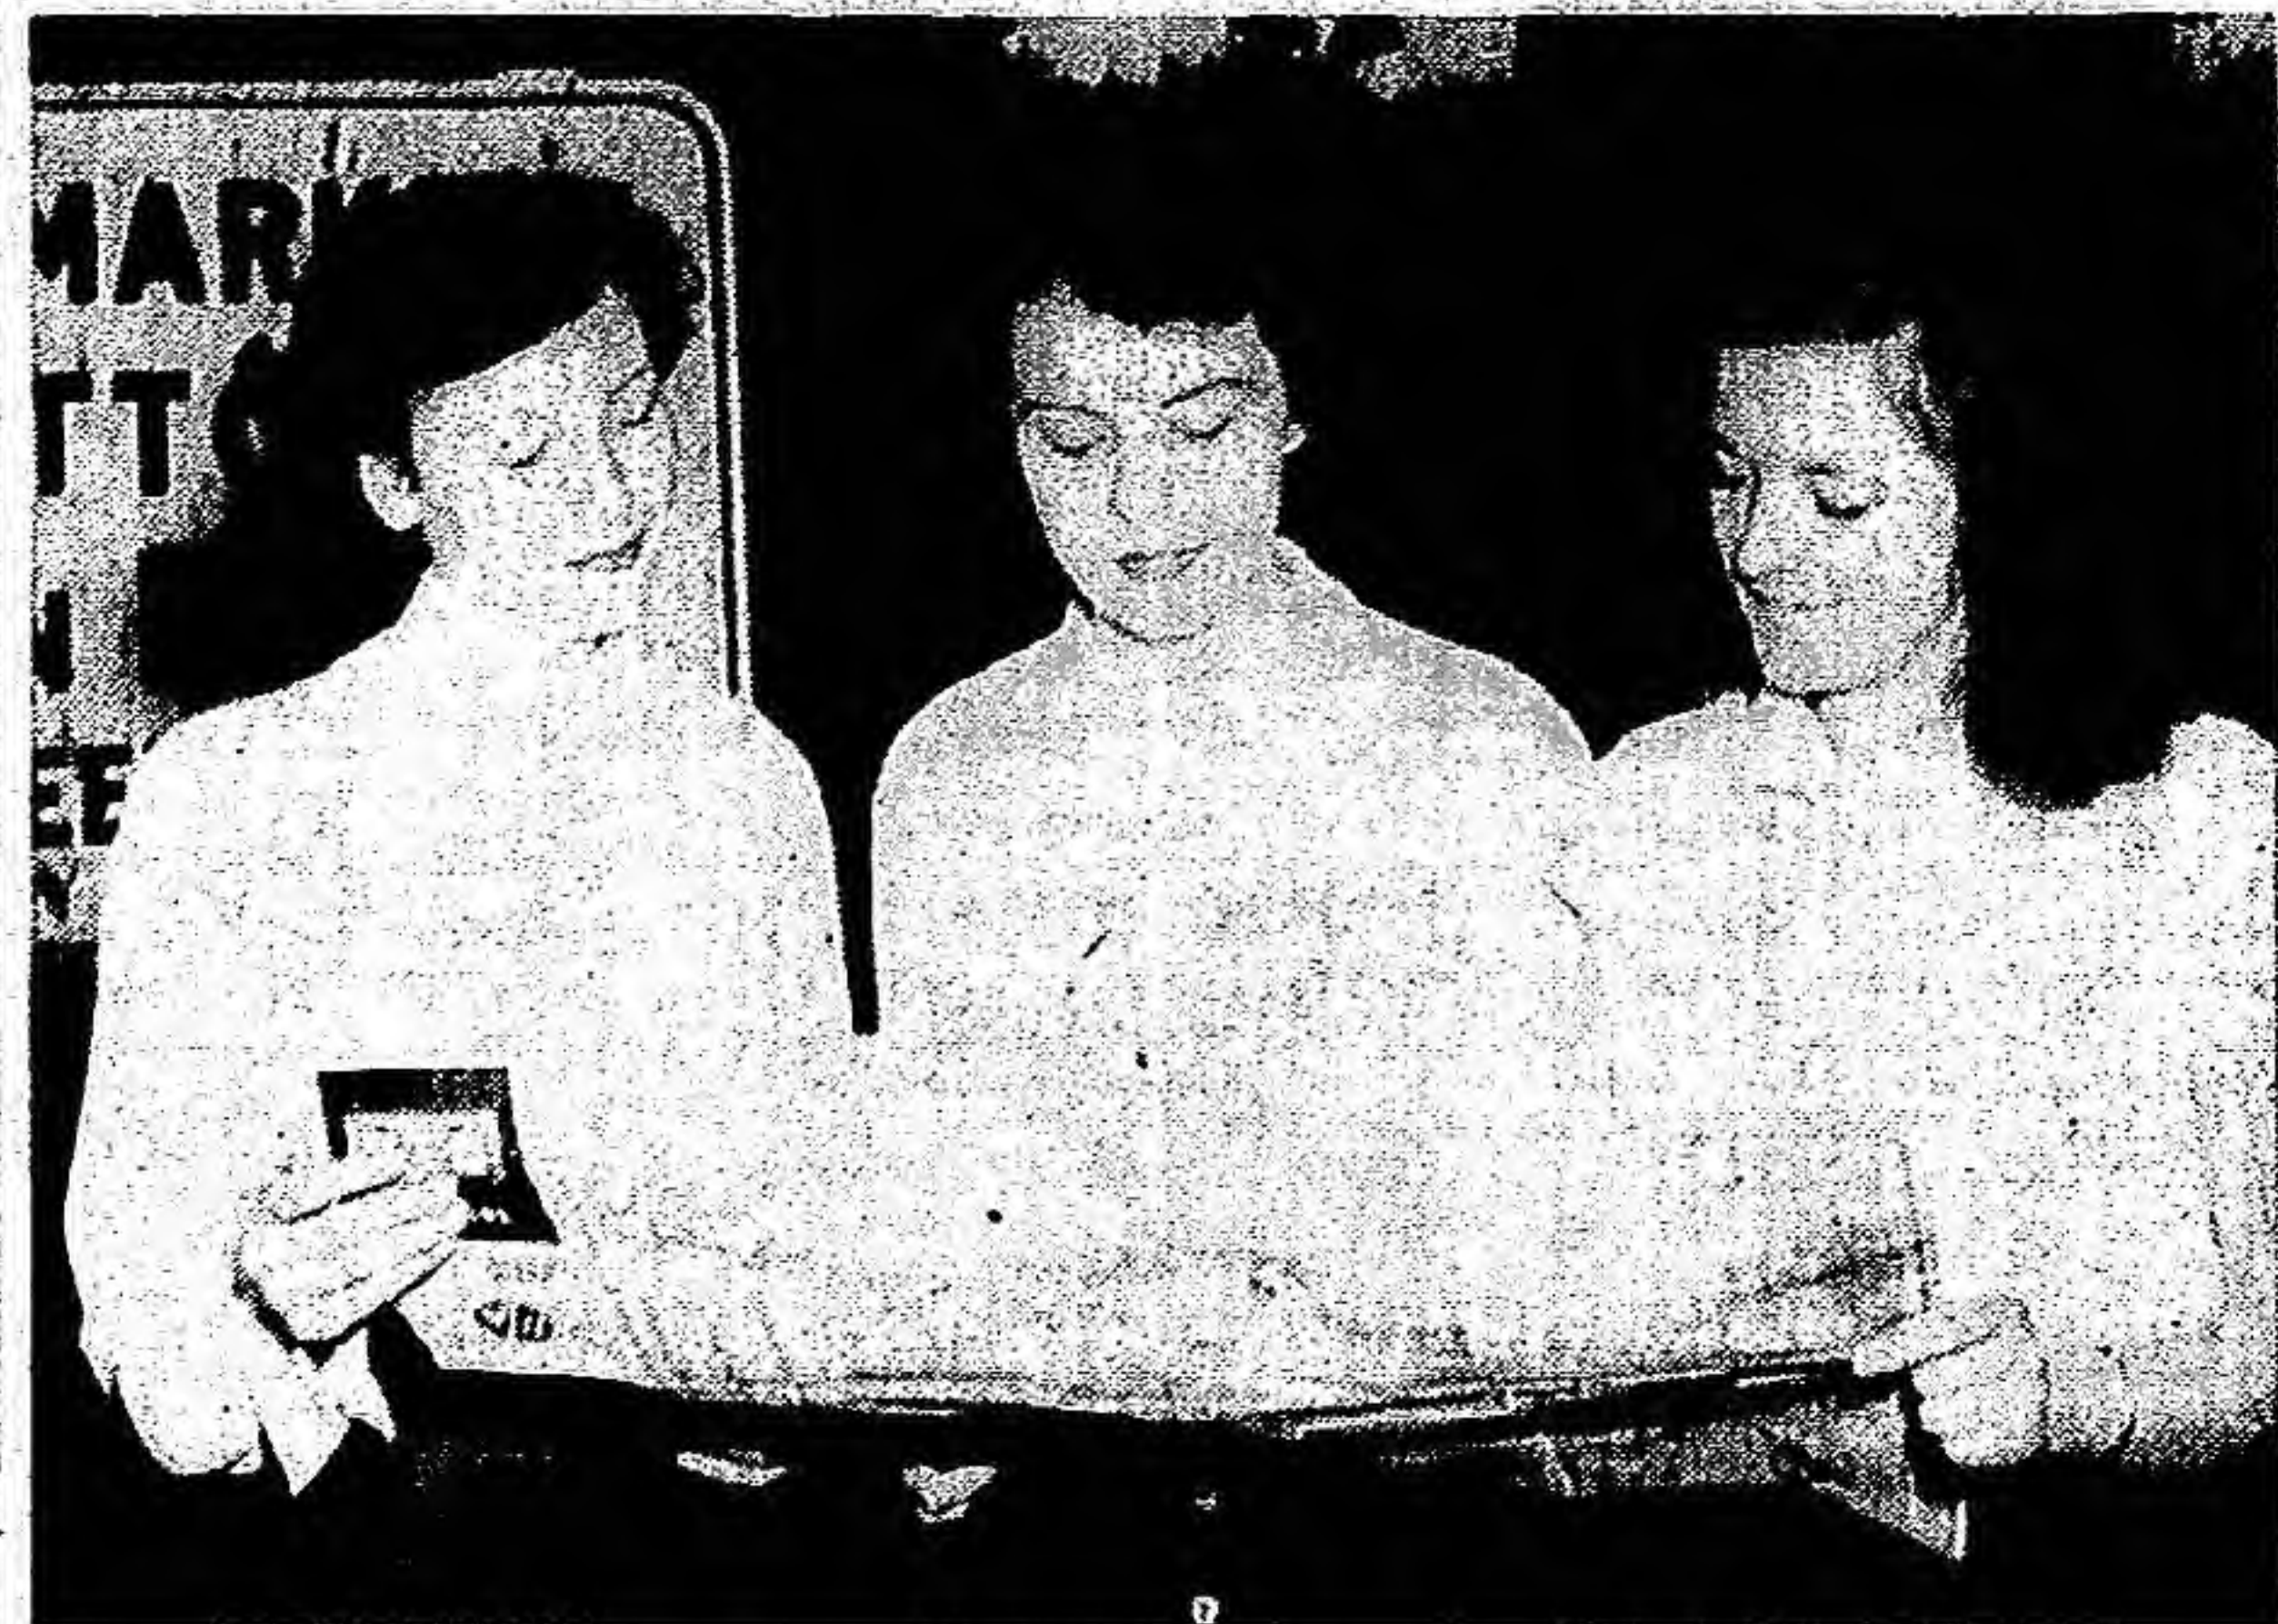

King township council passed a by-law earlier this year that requires all building lots to be surveyed and registered on a plan. The by-law is designed to protect the man who buys a lot for a house and ensures that the property can be identified 100 years from now.

Most municipalities in York county have similar by-laws and it is believed that King completes the building lot policy for the county.

If a person buys an area of land, the townships asks that he have a licensed surveyor survey the land and that it be registered at the land office in Newmarket. It gives the person who buys land and builds a house, proper title for a mortgage.

In the past, some properties in King have been defined "from a stone to a tree" and after the passage of time the stone may have been used for building and

NEWMARKET? NEVER HEARD OF IT!

From now until the end of September tourists will be driving up Yonge St. on their way to Lake Simcoe or farther into the land of lakes and woods. Tourists like to shop in small towns but how many of them will stop in Newmarket? Barbara Thompson, Marion Pickering and Doreen Smith look over a road map in front of the one small Dept. of Highways sign which says that you will hit Newmarket somewhere if you turn right. Many tourists drive up No. 11 highway unaware that a town called Newmarket exists less than a mile to the east.

TOURISTS \$ GO BY

No Highway Advertising For Newmarket

Millions of dollars most of them American, are spent by tourists in towns and summer resorts. Every year there is an unending stream of thousands of automobiles travelling up Yonge St.

Most tourists stop off in the small towns and stock up with provisions on their way north. Many of them like to wander through small town stores and pick up articles they can't find at home like china, woollen goods, unusual gift articles, bathing suits, fishing tackle and sports-wear.

Newmarket has a disadvantage in being several hundred yards east of the most beaten track, Yonge St. highway. Summer holiday traffic passes on its way up the west side of the lake and it is probable that a large percentage of them never notice this town nestling in a valley away from the highway.

How many residents of Newmarket have been visiting friends in Toronto or elsewhere who say

"Newmarket. That's up north of Toronto somewhere but I don't remember passing through it." They remember Richmond Hill, Aurora and Barrie.

One Newmarket resident told of giving her address to a store clerk in Toronto who said, "Do they have streets there? I thought it was just that little corner at the stop light."

Earlier this year Newmarket became a Yonge St. town. Land was annexed from Whitechurch giving Newmarket a Yonge St. border from Davis Dr. on the north to below Eagle St. on the south. Northbound traffic actu-

ally passes through Newmarket for a mile without knowing it.

One highway department sign below Eagle St. says "Newmarket, Sutton, Turn Right". Newmarket could be where Keswick is for all they know.

If there were a Newmarket chamber of commerce, no doubt it would have erected an enormous sign on Yonge St. telling about its interesting shopping district, its free municipal parking, its population and interesting facts. More important, it would tell tourists about the place over the hill to the right, "That's Newmarket over there".

'I'd Climb Highest Mountain' Coming Next Week To Roxy

As fertile and challenging as the land it depicts, "I'd Climb the Highest Mountain," the sweeping pictorial technicolor drama starts Monday, May 28, for four heartwarming days at the Roxy theatre, Newmarket. There is in this film a richness that is stirring and majestic. Director Henry King, taking his troupe to authentic North Georgia locations for the filming, has captured the spirit of the American countryside in radiant technicolor. It is the great outdoors itself which gifts "I'd Climb the Highest Mountain" with a glowing vitality. For Henry King and Producer Lamar Trotti, who also wrote the screen play based on the story by Corra Harris, the film is a crowning achievement.

It has to offer satisfaction for all seekers—visual splendor for the eye; deep spiritual conflict for the mind; poignant romance to touch the heart.

Co-starring in "I'd Climb the Highest Mountain" are Susan Hayward and William Lundigan, and each of these already illustrious players rises to a new height in his role. Film fans are eager for qualified newcomers to stardom, and in the Lundigan of "Pinky" and the Susan Hayward of "Smash-Up" and "My Foolish Heart" they found their goal. "I'd Climb the Highest Mountain" affords both of them new breadth of characterization and power of appeal.

Lundigan is the practical pastor of backwoods Georgia in the early nineteen hundreds, bringing an earthy but devout realism to his calling, and facing the consequences of any day, be they joyful or tragic, turbulent or quiet, with courage and resilience. Susan Hayward is the staunch wife who shares the rigors of a life she had not previously known to perfection. There has been no more accomplished or feeling portrayal of the pioneer woman on the American screen.

No less skillful are the supporting players in "I'd Climb the Highest Mountain." These include Alexander Knox, as a hard-bitten atheist who refuses to cross the threshold Lundigan opens to him; Rory Calhoun, a rugged newcomer who invests a secondary role with the characteristics of a new star; and Barbara Bates, an attractive and persuasive young actress of genuine ability. Others are Gene Lockhart as a tough-minded parson; Lynn Bari as a rival of Miss Hayward's whose superiority is betrayed; and the redoubtable character actresses Ruth Donnelly and Kathleen Lockhart.

But it is not acting alone that brings great heart and warmth

to "I'd Climb the Highest Mountain." Nor is it only the grandeur of its purpose, its entirely human account of a young and forward-looking parson's travail. N.York Society Plans Shelters And Inspectors

A solution to the dog nuisance which has plagued north York municipalities for years is seen in the brief being prepared by the North York Humane Society for an early presentation to the councils of Newmarket, Aurora, Vaughan, Richmond Hill, Markham and possibly Whitchurch and King.

The society plans to provide inspectors and a shelter, to be financed by grants from interested councils. The society would look after all administrative details.

A temporary shelter has been located and plans for a permanent shelter have been discussed.

The society, under the presidency of Mrs. Marie Askew, Gorham St., includes Newmarket and Aurora representatives on the board. The proposal was drafted at a meeting last Friday night in Newmarket council chambers.

Aurora Holds Track, Field Eckhardt Cup

The Aurora high school track and field team holds the Eckhardt Trophy for another year. The North York high school trophy was won again when Aurora took 32 firsts in the 46-event program at Newmarket high school yesterday. Aurora added 261 points, Richmond Hill second with 123 and Newmarket third with 111.

Individual championships were also taken by the Aurora team. Senior boys' champion is Ross Linton with 20 points. Ken Geer is intermediate champion with 15 points and junior champion is Ron Geddes with 18 points.

Gaye Morning took senior girls' championship with 13, Grace Hoare, intermediate with 13 and Nancy Beckwith, junior champ with 10 points.

There were five new records established yesterday. Jim Lobbaw, Aurora, established a record in the 220 intermediate run. Bud Youngberg, Richmond Hill in the junior pole vault and Robert Dick in the junior standing broad jump. Gaye Morning set a new record in the senior girls' jump, 7 ft. 9 1/2 inches. Grace Hoare added 6 inches to the old record with a 7 ft. 11 and seven eighths jump in the intermediate girls' class.

FLOODLIGHTS CAMPAIGN

\$6,000 Will Do It

By GEORGE HASKETT
Sports Editor

As a follow-up to the very generous offer made last week by Gordon Manning, general manager, Office Specialty, to start the floodlight campaign rolling, enthusiasts gathered at the council chambers Tuesday evening.

Salient facts from the information passed along by J. D. Shortall, visiting floodlight engineer from the Canadian General Electric Co., set the cost of a 24-light system, overhead wiring, completely installed, at just under the \$6,000 mark.

This would be a six-pole arrangement with the poles set along the sidelines. This point was brought out so that either softball or hardball could be played on the diamond.

Various advantages of enclosed floodlights against the open type were explained and \$6,000 price is for the enclosed type.

A ways and means committee was set up with Charles VanZant, chairman, Albert Topham, vice chairman, Geo. Haskett, secretary, and Ken Flett, treasurer.

VanZant advised the meeting he had talked to a number of businessmen and heads of several industries and in every case, had received a favorable response. The ways and means committee will meet again Tuesday.

Increased Circulation Gives Classified Users Top Advertising Market

Ever since the addition of the Aurora News Page with the subsequent increase in Aurora circulation, users of The Era and Express classifieds have had a greatly increased market for buying and selling.

These opportunities have been reflected by the increased use of The Era and Express classified page. This week, for example, there is over a page and a half of classified advertisements.

The Era and Express classified market extends from King City to Sutton, from Mount Albert and Zephyr to Schomberg, the largest classified market offered by any home paper in York county. What it has meant to the classified advertiser is shown by these endorsements:

Mr. C.: "My advertisement in your paper brought better results for me than the Toronto papers had done in past years."

Mrs. B.: "I sold the stove advertised in The Era a few hours after the paper came out here. I had several telephone calls after it was sold."

Mr. H.: "The household utility I advertised in The Era and Express was quickly sold. I am pleased with such a quick sale."

Mrs. W.: "I had ten telephone calls from Aurora people wanting to buy the sink I advertised in The Era."

Classified advertisements can be telephoned collect to The Era and Express office in Newmarket, phone 780, or left with any of The Era and Express correspondents. In Aurora, ads can be left at Whitelaw's store, in King with Mrs. Laura Rolling. For the size of the market, Era

KING W.I. LADIES REDECORATE ROOM AT COUNTY HOME

A group of members of King W.I. wielded paint brushes last Thursday afternoon in the women's sitting room of the York County Home for the Aged. They painted chairs and put up window drapes to add a touch of brightness to the living room where the old ladies of the institution spend most of their time.

They will finish the chairs with wine colored back rests and cushions. Mrs. Ivan Specht and Mrs. T. L. Williams purchased and made up the flowered drape material and chair coverings. They had earlier visited the Home on various occasions on behalf of the W.I. to list additional furnishings and comforts for the sitting room.

As an Institute project, appeals for furniture, a floor covering, plants are meeting with response. Already \$40 has been donated by several interested persons outside the W.I. and the idea is stimulating other branches in the county. The superintendent of the home, Mr. Arnold, and his wife are glad to co-operate as is the York county commission board for the Home. King W.I. voted \$30 in advance to buy drapes and cushions.

C.W.J. BAKE SALE

At the Scout Hall, Newmarket, on Thursday, May 31, the Catholic Women's League will hold a spring tea and a bake sale.

L. Cpl. Bill Denne, Newmarket, left, has been in Korea since before Christmas. He is the son of Mr. and Mrs. William Denne, 10 Elm St. In the June 1 issue of Maclean's magazine, Pierre Berton writes about the first enemy action for Denne's section of ten men. Both Denne and Pte. Bill Wilmot, Fruitvale, B.C., shown above, right, were mentioned frequently in the story of "Corporal Dunphy's War". Denne is next in command to Cpl. Dunphy.

L. Cpl. 'Chicago Bill' Denne

Fights 'Corporal Dunphy's War'

Lance Corporal Bill Denne of Newmarket was with the first group of Canadians to see action in Korea. "Chicago Bill" as he is named by a Canadian magazine writer appears in a picture with his section leader, Karry Dunphy on the front page of the June 1 issue of Maclean's magazine.

Pierre Berton, writing about the experiences of a section (ten men) with the Princess Patricia's men of the first combat experiences they had. They were the first unit under fire and in his article, "Corporal Dunphy's War" Berton refers on several occasions to Denne, second in command to Karry Dunphy.

Denne who left for Korea shortly before last Christmas is the son of Mr. and Mrs. William Denne 10 Elm St., Newmarket. He was in the navy during the second war.

In "Corporal Dunphy's War", Berton says, "it is a section leader's war, and it is on the shoulders of hundreds of section leaders that success or failure

inevitably rests." He describes the men in the section which they called the Leper Colony as they moved up to their first engagement. "And there was L/Cpl. 'Chicago Bill' Denne, second in command of the Leper Colony, a long-nosed former steel rigger and Dunphy's closest friend. Whatever Dunphy did or said was okay with Denne, who was inclined to imitate his section leader—even to the same relaxed way of walking."

"The first night in a slit (trench) was the worst Dunphy has ever spent in his life... The men's parkas, battle-dress and underwear became soaked and then froze. They crouched in a foot of ice water. Dunphy and Denne tried to stand up and found their trousers frozen to the earth, which came away in a chunk."

"In the line the Canadian soldier carries only his towel, toilet kit, ground sheet, one blanket and three pairs of socks."

KETTLEBY
Will all the members of Christ church Ladies' Guild who are working blocks for the quilt at Mrs. J. Harmon's please send them to her as soon as possible as she is anxious to get the quilt together before the busy summer season starts. Only nine have been received up to date.

Congratulations to little Miss Doris Wood for the good marks she made in the Woodbridge Music Festival.

Sorry to report our organist, Mrs. R. Archibald, is suffering from a heavy cold. We all wish her a speedy recovery.

On Sunday, May 27, the service in Christ church will be at 9:45 a.m. Please note change of time.

Mr. and Mrs. E. Varley from Toronto were guests at the home of Mr. and Mrs. F. Crane on Sunday, May 20.

Members of Christ church have been requested by the bishop to dedicate next Sunday to Citizenship. All hymns and sermon will be on this theme. We cordially invite any new citizens in our neighborhood to join us in this special service. As citizens of this wonderful country of ours, where we enjoy all the four freedoms, let us all try to come to God's house for this one hour and thank Him in our praise and prayer for this precious gift. We cannot realize what it really means, but I have a friend who was in a concentration camp in Germany for years and who has made me think how blessed we are in this country, as he told me of all they went through and how happy he is to just be able to breathe the air and feel free to walk about without being watched.

Miss Gordon from Toronto visited her nephew, Mr. H. Pleasance, and his wife on Sunday afternoon.

Services next Sunday at Christ church will be morning prayer, 9:45 a.m., Sunday-school 11 a.m. Flowers from the church were sent to Miss Fox who is unable now to be with us owing to a heart condition but we all love her and remember when she used to be with us every Sunday.

BE FREE FROM HELP PROBLEMS
Mechanize with Massey-Harris Machines

Manpower is not too plentiful—in fact good, experienced farm help is downright scarce even at the present high wage rates. Industry needs manpower for armament production and making of civilian goods and the armed forces are recruiting to bring their units up to strength in the new program.

Yet food production must be maintained in these busy and critical times in spite of the shortage and high cost of farm help.

Mechanization is helping more and more farmers to get work done when it should be done—farmers are proving easy-operating, fast-working machinery to be their most dependable help. From the complete line of Massey-Harris equipment you can select machines that will help you master the help problem.

says

These warm, sunny days—and

I hear we have broken another

record, this time it is for a heat

wave in May, or as early as May

14 at any rate. Yes, the records

show we have never had such a

warm day as this so early and the

weatherman promises it will go

even higher tomorrow! But I am

content to enjoy it while we may!

What I am getting at is that

this weather has brought every

green thing on top of the earth

along with double speed. The

earliest trees to leaf out are

showing green—and that earlier,

fluffy, tender green is quickly

giving way to a darker shade.

And it makes you want to take

a trip to gather May flowers in

the woods. You picture the

marsh marigolds shining from

every swamp meadow, and at

the side of the road where there

is a ditch with water in it. You

see banks blue with purple vio-

lets—you see the adder tongue,

the yellow lily and the squirrels'

corn or lady-slipper. You see

the pure white blood root flow-

ers, the stems of which really do

bleed, and the gay hyacinths with

its heart-shaped leaf.

You see the wild iris and the

arrow-shaped leaves of the water

lilies. You see the hawthorn

trees covered with blossoms and

you imagine you hear the bees

humming as they busily collect

nectar. You see the darling

Jack-in-the-pulpit and if you are

lucky you find some wintergreen

berries and maybe some ground-

hemlock. But above all, you will

find our provincial flower, the

lovely trillium—that dainty

three-leafed lily, so dainty and

so fragile! It is what the poet

calls the "wake-robin". Isn't that

a pretty name?

I have several clumps in my

garden with Solomon's Seal with

its pretty yellow flowerets hang-

ing from its tender stem, and

some cohes with the feathery

green leaves. But those white

lilies shine through the dusk in

the moonlight from my bedroom

window, down beside a cedar

bush and a tamarisk, brought

from Vivian woods, down below

under my big maple trees, and

ferns and other wild flowers

brought years ago from the

woods.

I had a treat today—and it

recalled the time we were at

Niagara Falls at this time of the

year and in the park just across

the Rainbow Bridge, where there

were hundreds of trilliums all

in full bloom. I was at Mr. and

Mrs. Fred Lundy's home where

daughter Audrey has a wild

flower garden—and it was full of

white lilies all in bloom—and red

lilies, the original "wake robin",

with one specimen having white

blossoms streaked with green.

Audrey has plenty of other wild

flowers as well, and having a

wild flower garden of my own I

sure did appreciate this one. I

don't know of anything more in-

teresting than a wild flower gar-

den for every additional flower

you acquire means memories of

a pleasant ramble in the woods

and you recall the exact spot

where this one or that one was

found and carefully transferred

with a trowel to your basket.

Maybe it's a specimen of the

now almost extinct maiden-hair

fern or like Mrs. Kidd in her

lovely garden, a clump of wild

orchids and hunsman's cup. Yes,

a wild flower garden can be a

delightful spot, a garden of mem-

ories!

OTTAWA LETTER
by
"Jack" Smith, M.P.
North York

Parliament this week passed legislation formally accepting the bequests of former Prime Minister King which included Laurier House in Ottawa and Kingsmere, his country home, 20 miles north in the Gatineau hills.

In his will, Mr. King expressed the hope that these possessions would become the possessions of the people of Canada. Beautiful Kingsmere will be a public park and Laurier House will be a museum housing the many interesting moments of his long public career. Both properties, it is hoped, will be open to the public some time before the end of this year.

THURSDAY, THE TWENTY-FOURTH DAY OF MAY, NINETEEN HUNDRED AND FIFTY-ONE

MID-WEEK HOLIDAYS

Once again we have a national holiday near mid-week, and once again, it will be celebrated over two days as one half of the industrial and commercial activity of the country celebrates the legal date and the other works the day and closes shop on Friday to give employees the benefit of a long weekend.

It is so ridiculous that one wonders what on earth there is to justify a holiday on a Tuesday, Wednesday or Thursday, May 24. Surely tradition is not enough to cause the unthinking adherence to the calendar. We are very much afraid that the glories of the reign of Queen Victoria play a little part in the observance. It is the annual mid-spring holiday, the day for removing storm windows, putting in the garden, visiting the cottage but no longer a day for remembrance. So why, then, observe the calendar date so slavishly?

We are publishing Thursday as usual. The subscribers should get their paper through the mail as usual. And on Friday, the composing room staff will have a long weekend although the office will remain open.

WHICH COMES FIRST?

We are fascinated by the argument used to oppose milk price increases to the farmers by the distributors in the Owen Sound area. The producers presented a brief before the milk board in which it was stated that cost of production was \$5.12 a hundredweight and the producers were asking for a raise from their present \$4.12½ a hundredweight to \$5.50.

This is a reasonable increase when it is remembered the loss that the present price represents, and that shipping charges must be paid from the asked for price. But what really takes the cake is the reply of the distributors. As reported in the Globe and Mail, a Mr. Wm. A. Forsythe, Owen Sound dairy owner, objected that such an increase would have to be passed onto the consumer and that in turn would result in new wage demands from the drivers.

It seems to us that the order of importance is sadly mixed up here. The dairy industry is not operated for the benefit of the distributors as Mr. Forsythe seems to imply. One might reasonably say: So what if the drivers ask a raise in pay? It is neither here nor there in the question of whether producers should be paid a fair price for their milk.

Granted that in the marketing of a product, consumer price and cost of distribution is important, but of first importance is whether it pays the producer to provide the product by which the distributors and their drivers earn their living. Isn't it about time that the producers impressed upon distributors and their employees that the producer can exist without them, but the distributors could not exist without the producers?

RECRUITING ADVERTISING

There was a fuss some months ago about recruiting advertisements. It was agreed that there was too much emphasis upon benefits that the recruit receives from the services, too little mention of the job he would be required to do. One officer was quoted to the effect that you couldn't expect recruits to show the aggressive spirit required of a winning army if they had joined the forces to earn a pension and retirement pay, education, technical skill or any of the other inducements offered by recruiting advertisements.

If there was to be a change in policy as a result of these objections, it is slow coming about. An advertisement this week in a Toronto paper is headlined by these words: "A Holiday With Pay For You" and continues with: "You'll get paid to swim, play softball, live an army life, with the Governor General's Horse Guards". It is true that the advertisement was for a reserve unit, but the thinking which inspired the advertisement is the same as that objected to earlier.

There is no doubt that pay, pensions and the rest are attractive features of service life, but the first purpose of the services remains the same, to fight the country's enemies. Canadians, no less than the rest of the democratic world, are engaged in a life-death struggle with Communism. Many Canadians will lose their lives before that struggle is ended. One can be pardoned for believing that Canada does not yet realize the seriousness of this struggle when recruiting advertisements read more like advertisements for summer cruises than appeals for recruits in a fight for survival.

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

Office Cat Reports Catnips By Ginger

Special from the Soho Consumers' Weekly to The Era and Express, courtesy of the East End Racing's private wire.

By Ginger who flew to London over the weekend to give a first hand report on conditions among the peers.

You readers back at home have probably read about these peers over here going broke. Most of them have to run peep shows in their castles and hire dancing girls to attract the American tourists.

But the tourist business isn't enough to keep things going. The Labor government has promised to do something about helping to keep up these great mansions. After all they are part of the traditions here. High cost of living and taxes make them a heavy burden on the nobles; some nobles have lost most of their money trying to keep them up.

Your correspondent, thanks to the facilities of the Soho Consumers' Weekly, was able to interview one of these nobles, Lord Lashwell Friggan-Riggan, yesterday.

As I drove up the long hedged castle drive in my rented mid-ge Benzdrine sportster, a bevy of baying beagles howled a welcome to me. The merry note of the hunter's horn suggested hosts of happy hunters. Only there were no hunters and the horn was merely to impress tourists, and was tooted by a manservant who was hiding in the garden house.

As I stepped out of my Benzdrine I looked along a red carpet up to the massive front door, straddled by massive pillars. On the red carpet I was astonished to see the faint outline of the words, "The Ritz". I learned afterward that Lord Lashwell had "acquired" it on a trip to London. He brought it home and ran the lawnmower over it in an unsuccessful attempt to remove the name of the hotel.

I pulled the cord at the front door and was surprised to see Lord Lashwell Friggan-Riggan himself, dressed as a butler.

"I got my training in a bit part I did with the Arthur Rank organization," he said. "Best sort of training if we are going to sell ourselves to the Ameri-

can tourist. One moment and I will call his lordship."

Lord Lashwell disappeared and in five minutes returned to the vast centre hall of the ancient palace. This time he was dressed as Lord Friggan-Riggan, and as a lord should be dressed. But I was disillusioned by an identification tag sticking out from under his collar, "Costumes by Ballabar".

"Tell me, your lordship," I asked, "What do you think of this price war on cover charges?"

"Definitely unlabordike," said Friggan-Riggan. "What we need is to be nationalized. We can't keep up with this free enterprise system; we haven't a chance."

"Why the Duke of Rumbletum just over the hill at Shoven-on-the-Oven has cut his tourist cover charge to a shilling and has hired a barker with a P.A. system at his gate house. I tell you, we just can't cope with it."

"A chicken ranch or go in for blooded stock and give up the tourists?" I asked.

"Oh animals or fowl would never live in this castle. Too damp," he said. "Besides blooded stock would never stand the strain with the ghost of Lady Gowen Dinburiap walking the corridors when the moon is horned."

"Oh, you have a ghost here too?" I asked.

"Yes, she's my feature attraction. She was murdered here 600 years ago by her infant daughter during a squabble over which knight her daughter would marry. Her infant daughter grew up to be a witch and had quite a successful career casting spells on wicked nobles. The Americans love it. They eat it up."

"Well, I think you have a real nice place here and I certainly hope you can keep up your payments," I said.

"Oh thanks awfully," said his lordship, "and if you are writing up this in your paper you might mention that we stay open nights before holidays and we give special prices to picnic parties."

That is what is happening to peers over here in England. Thank you, East End Racing.

by "Dairy Farmer" The Top Six Inches

Seeding is late this year, at least in our part of the country. There is one thing about our weather, and that is there is a surprise every year for most of us. Last year it was the heavy rains with the frost still in the ground. It did an awful lot of damage eroding fields. This year the heavy rains came after the frost was out and between that and some extra precautions on the hill side, most of our fields held quite well.

We know a fellow who drilled and disked rye in his steepest fields last fall. The rye did not do anything particular last year in the fall, but this spring it came right along and the steepest of his fields were well protected. Let us tell you, though, before you all go for the idea, that this very same fellow is in some trouble this spring. It is quite a job to make a good seed tions on the hill side, most of ten inches of real thick rye.

We did have a lot of moisture this year in the ground. Hill or date, we could get our tractor stuck just about any place and here at least, the first part of the spring work had to be done with hydraulic implements. We have never seen or experienced as much moisture in the ground. In some places one could bully the tractor through and leave water standing in the wheel marks. However, it is an ill wind that blows no good. When the seed went in the ground finally, it came along very fast. We have seen fields up and the rows plainly visible after five days.

We firmly believe that the crops took today as well as if they had been planted the first week in May under ordinary spring conditions. We are advised, and experiments of long years standing at Guelph, show that the earlier the seed gets into the ground, the better the crop will be. We think this year might be an exception. With the heat we have and the moisture, crops seem to be in real shape so far.

This is the first thing that stands out in our mind this year. The other is the use of hydraulic implements. We found last year that they are very satisfactory. They will do a type of work that other implements won't. These tools, that will lift out of the ground when the going gets tough, are a real thing and probably the one and only real new idea about implements these many years.

Have you ever considered how little imagination the implements men used in years past when it came to making tractors work? Let me tell you a few examples. The average tractor implements for years has been just another horse-drawn machine, only much bigger. The same weight of material was used. The result was that they didn't stand up. Even today, a drill for the tractor, with one exception that we know of, is just as high off the ground as its horse-drawn ancestor.

The hydraulic implement is the only new idea we have seen. We will say that things are improving slowly. We doubt however if the manufacturers have really exhausted all the possibilities in design that the tractor has offered them. It is just another case where the sellers' market has retarded the growth and development of something very important to farmers.

THE OLD HOME TOWN

By STANLEY

From the Files of 25 and 50 Years Ago

MAY 21, 1926

Mr. Mont Brimson, son of Mr. R. H. Brimson, Newmarket, has received the appointment of clerk of the county police court under Col. T. H. Brunton.

Mr. Maurice E. R. Boudreau, a former teacher at Cedar Valley, was among the ordination class received and approved at the session of the Toronto Conference of the United Church. The ordination took place last Sunday afternoon at Carlton Street United Church.

A special meeting of the high school board took place in the council chamber on Tuesday afternoon when the tenders for the new addition to the high school were opened. There were over 30. The tender of Avery Shipp Co., Toronto, for the whole work at \$87,327 was accepted. The school is to be ready for occupancy on September 15.

Mr. Ethan Connolly, son of Dr. and Mrs. E. J. Connolly, Collingwood, formerly of Orchard Beach, has passed his final examinations in the electrical course at the School of Practical Science.

The town band, under the leadership of Mr. P. Arlitt, accompanied by the high school cadets, boys scouts and wolf cubs paraded around town on Thursday evening.

The annual meeting and election of officers for Mount Albert W.I. was held in the basement of the church last Thursday. Officers elected were: pres., Mrs. Geo. Burnham; vice pres., Mrs. A. Dunn; Mrs. A. Dike; sec.-treas., Mrs. L. Lapp; press editor, Mrs. Stokes; pianist, Miss Tinsdale.

On Monday afternoon between four and five o'clock, the heavily loaded freight car going north with two trailers was delayed for nearly an hour by the blowing out of the air cylinder of a flat car loaded with lumber.

Mr. Wm. Lunau, Mount Albert, is giving up the general store business and is holding a clearing sale of his stock.

KETTLEBY W.M.S. TALK 'WHICH WAY JAPAN'

The W.M.S. of Kettleby United church met at the home of Mrs. Jerry Black May 15 at 3 p.m. with the president, Mrs. Wm. Hodgson, in the chair. It was decided to have a special meeting in June and invite neighboring societies. Mrs. R. S. Longley will be guest speaker.

Mrs. J. Black sang "Peace, the Gift of God's Love" and Mrs. Carl Black presented the study book topic "Which Way Japan". She said the occupation troops were to be an example of democracy to the people of Japan, who are looking for something in the place of their cast-off gods and idols.

The students are eager to learn and the suburbs of Tokio will soon have a new Christian university designed to turn out the best type of Christian student. The Communists are also making promises in Japan. The Japanese people are watching carefully to see whether Communism or democracy will best fill their needs, Mrs. Black said. Mrs. Hodgson closed the meeting with the benediction.

COUPLE TO LIVE IN NEWMARKET

In a quiet ceremony performed at Trinity United church on Saturday, May 5, by Rev. Henry Cotton, Helen, daughter of Mrs. Margaret Dunham, Newmarket, and the late Richard Dunham, became the bride of Mr. Ross Thompson, Newmarket.

The bride wore a lilac nylon dress with white accessories and carried a bouquet of red roses. She was attended by Miss Kathleen Arnold, who wore a pink nylon dress and carried a bouquet of red roses.

Mr. Albert Bain was best man. Following their honeymoon at Wasaga Beach, the young couple will reside in Newmarket.

JEANNE B. BINNS WED TO WM. MAHONEY

A candlelight wedding took place in Calvary Anglican church, Toronto, on May 19 when Jeanne Blanche, daughter of Mr. and Mrs. Jack Binns, Toronto, was united in marriage by Rev. V. Wignmore to Mr. William Gordon Mahoney, son of Mr. and Mrs. Ross Mahoney, Queensville.

The bride, given in marriage by her father, was gown in white eyelet organdy over taffeta on long lines with cathedral train and her veil was caught to a cap of organdy. She carried gardenias, white roses and sweet peas.

Matron of honor was Mrs. W. J. Maud with Mrs. Gwen Smith, Donna Binns, Eleanor and Ruth Mahoney, bridesmaids, in white figured organdy over peach taffeta and blue taffeta with matching Dutch hats and nosegays of tiny pink roses. Elizabeth Binns was flower girl, frocked in white figured organdy over white taffeta and Bobbie Mahoney, ring bearer. Best man was Elton Mahoney.

At the Sons of England hall, Swansea, the bride's mother received in gray faille and chantilly lace, matching flower hat, with corsage of red roses, assisted by the groom's mother, wearing orchid faille, pink hat and gloves and yellow roses.

For travelling to New York the bride chose a rose suit with navy accessories.

ENTERTAIN BRIDE-ELECT

Mrs. E. Peat, Sr., and Mrs. Mary Gilroy entertained at a miscellaneous shower in honor of Miss Lucille McComb prior to her marriage to Bruce Collings, Bradford, on May 12. About 30 were present. HAS MAY MEETING ST. JAMES' W.A.

The May meeting of St. James' Women's Auxiliary was held May 9 at the home of Mrs. E. Kitley. The meeting opened in the usual manner, after which Mrs. B. Cox read the scripture, followed by a reading from a supplementary to the study book, "Dr. Paul Harrison, Desert Doctor" given by Mrs. G. Nicklin.

Plans were discussed for a home bake sale and tea to be held June 29, place to be announced later.

The June meeting will be held at the home of Mrs. W. and L. Selby when we shall be happy to have as guests the ladies from the Mother church Holland Landing. Lunch committee Mrs. W. Grose, Mrs. R. Wreggit, Mrs. G. Nicklin, Mrs. L. Farr, Mrs. J. Aylward.

SURPRISE BRIDE WITH SHOWER

Miss Velma Thompson, June bride-elect, was surprised with a miscellaneous shower by members of the Parochial Guild of St. Paul's Anglican church, Newmarket. The shower was held in conjunction with the Guild's closing party of the season at the home of Mrs. Arnold Reinke, Cedar Valley, on May 15.

A wheelbarrow tastefully decorated with pink and white crepe paper was brought into the room piled high with gaily wrapped gifts. Each bundle conveyed the good wishes of her fellow Guild members to Miss Thompson.

PAST PRESIDENT AT HOPE HOBBY CLUB

Mrs. W. R. Taylor was hostess to the May meeting of the Hope Hobby club. After a sing-song, the meeting was opened by prayer. There was a large attendance of members, one former member and visitor. This was gratifying.

The roll-call was "Where to go on the annual trip and picnic". It was decided to go to Midhurst on June 19. Preparations for the trip are in the hands of Mrs. H. Wright, Mrs. E. Farr, Mrs. Bales, Mrs. Taylor and Mrs. H. Millar. The club also has sponsored a play to be held in Sharon hall on Monday night, May 28. The cast is from Cannington. The play it is presenting is "The New Minister".

The lunch committee for the cast will be for sandwiches, Mrs. C. Gordon, Mrs. F. Ramsey, Mrs. W. Stevens, Mrs. E. Evans and Mrs. E. Pegg. For cookies, Mrs. J. Farr, Mrs. A. Baidson, Mrs. L. Farr and Mrs. A. Dike; for tarts, Mrs. N. Crone, Mrs. D. Scoss, Mrs. Brenair and Mrs. Barker.

Mrs. Ivan Eves gave an interesting paper on Citizenship. Mrs.

Much Interest Shown In Community Bazaar

Woven articles on loan from the Canadian Handcraft Guild were displayed at the regular monthly meeting of the Newmarket Handcraft group. Held at the home of Mrs. S. W. Otton on Tuesday, May 15, the meeting was under the direction of Mrs. E. L. Maughan, Aurora.

A discussion on the merchandising of woven articles followed the display of the Guild's work. Illustrations of the use of color and design to increase eye-appeal were demonstrated.

Word has been received from many of the groups who have participated in the community bazaar in past years that they want space at the 1951 bazaar. Other groups, the Ladies' Auxiliary of the Canadian Legion,

LORRAINE FIERHELLER WED AT AURORA

The Aurora United church was beautifully decorated with spring flowers for the wedding of Mary Lorraine, daughter of Mr. and Mrs. Roy Fierheller, Aurora, to Mr. Murray Lloyd Young, only son of Mr. and Mrs. A. E. Young, Willowdale. Rev. H. Howey officiated and Mr. Illyd Harris played the wedding music and accompanied Mrs. Lambert Willson who sang "I Love Thee".

The bride entered the church on the arm of her father and was gown in white bridal satin made with fitted lines and long train. Her fingertip veil was caught with seeded pearls and orange blossoms and she carried a cascade of sweetheart roses and white sweetpeas.

Mrs. A. J. Worrall was her sister's matron of honor and was gown in gold satin with lace picture hat trimmed with mauve sweetpeas. She carried a cascade of yellow carnations and mauve sweetpeas.

Mr. Paul Wiber, Toronto, supported the groom and Mr. Murray Oliver and Mr. Joseph Worrall acted as ushers.

A reception followed in the church parlors where the bride's mother received in powder blue crepe and matching accessories. Her corsage was white and red roses. The groom's mother assisted in navy blue crepe with matching accessories and corsage of red roses.

Mr. and Mrs. Murray Young left on a motor trip through the United States. The bride travelled in a blue-grey wool suit and grey accessories. Her corsage was red and white roses. Upon their return they will reside in Willowdale.

Out-of-town guests were present from Mount Forest, Oshawa, Hamilton, Toronto, Lambton Mills, Maple, Newcastle and Markham.

HOSPITAL OPEN HOUSE

Visitors and members of the York County Hospital Aid were graciously received by the superintendent, Miss L. Thomas, at the York County hospital day on Wednesday, May 16. A representative group attended this second annual open house. There was an interesting tour of the hospital. Tea was served by the Women's Aid at the nurses' residence following the tour.

Broderick gave current events. The club had the pleasure of a visit of the former president, Mrs. McNern, Wainwright, Alta., also Mrs. W. H. Wilmut. The question box was in the charge of Mrs. McNern. Some rather interesting questions were asked and answered.

The roll-call for July will be "my favorite hobby". Mrs. Ivan Eves is the editor for current events. The meeting was closed with the members' creed and the hostess served a lovely lunch assisted by Mrs. Micks, Mrs. Scott and Mrs. S. Walker.

WHO said lacrosse is Canada's "forgotten game"? Current plans for 1951 (as we learned from Chuck Rowan, Secretary-Treasurer of the Ontario Lacrosse Association) give the lie to the old catch phrase. Whatever the prophets of gloom may say, lacrosse is today very much alive. We admit the game has taken a back seat to football, hockey and baseball due, partially, to the strong commercialization of these sports in recent years, but right now lacrosse seems slated for a healthy revival.

Growth in Ontario

Under the aegis of the O.L.A., lacrosse is particularly flourishing in the Senior A League towns (Peterborough, Brampton, Toronto, Hamilton and St. Catharines) and in those of the Border City loop (Sarnia, Wallaceburg, Windsor and Chatham). Both are looking forward to a bang-up season.

According to Chuck Rowan, there is little fear for the future as far as players are concerned. The O.L.A. has 120 minor lacrosse teams, with a constant flow of youngsters in the pee-wee and bantam classes.

From Chuck Rowan we also learned that the old bugaboo of stuffy, indoor playing space is gradually being overcome as more and more air-conditioned arenas are being built and this season Dundas, Alliston and Brampton (an 80-year old Club) will boast brand new buildings for Canada's national game. Many Ontario cities and towns are either discovering lacrosse for the first time or experiencing a revival of interest in the game and the O.L.A. is considering additional league teams from Ottawa, Parry Sound and Sault Ste. Marie.

Asked about the injury element in lacrosse, Chuck Rowan pointed out that strict supervision of the leagues has practically eliminated unwarranted rough play. Lacrosse today, he figures, is a much safer game to play than either football or hockey. Speaking of hockey, Rowan said: "Few sportsmen will deny the great contribution lacrosse has made to the game of hockey. Speed being the common denominator of the two games, good lacrosse players usually make fine hockey players."

Indian Baggataway:

Christened "lacrosse" by the French Canadian pioneers who first saw the Indians playing their wide-

open game of "baggataway," using what appeared (to the Frenchmen) to be webbed crosses as sticks, the game caught on quickly with both the French and English settlers. No doubt its rough reputation came from the fact that the Indians used the technique of first crippling as many opposing players as possible before getting on with the game. Medicine men acted as referees (and goalposts), and often as many as 200 players appeared on a team, while the "field" ranged in width from 5 to 10 miles as the game moved in course of play, referees, "goalposts" and all.

Box Lacrosse:

Lacrosse became our national game by Act of Parliament in 1867 and the National Lacrosse Association was formed as the ruling body. Rules and regulations were drawn up by the N.L.A. (now known as the Canadian Lacrosse Association) and the game was "confined" to a field 80 yards long by 60 wide. In 1932 field lacrosse was converted, more or less, to the indoor game now known as box lacrosse and was played in hockey cushions (both indoors and out). Strongly in favour of box lacrosse is the closer proximity of the fans and the increased body contact, both of which make for a finer spectator sport.

With the new, air-conditioned arenas and the general air of prosperity now apparent in the O.L.A., there is every sign that lacrosse may even return to its old time popularity. Chuck Rowan says if you've never seen lacrosse and what it has to offer, take in a game. A buck to a plug nickel says you'll be back for more.

News Of The W.I.

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

The May meeting of the Zephyr branch was held April 16 in the community hall with the new president, Mrs. Clarence Pickering, in the chair. Mrs. Pickering opened the meeting with a Mother's Day poem. The roll-call was answered by paying fees.

Various committees were nominated for the dinner, music and exhibits for the District Annual to be held in Zephyr, June 5. The sum of \$10 was voted for Salvation Army; \$25 for York County hospital and \$50 to Uxbridge hospital. It was decided to purchase ten card tables for the hall. After a discussion regarding the proceeds of booth on Sports Day, it was decided to give the park board half of the proceeds. Meeting closed with God Save the King followed by social half-hour.

The Queensville branch will meet on Wednesday, May 30, at 2 p.m. at the home of Mrs. Leonard Wellman. Motto: Houses are to live in, not to look at. Roll-call: Ways of training the family to be tidy. Program, report of the trip to Guelph, Mrs. J. L. Smith. Demonstration of table setting, Mrs. C. Weston. Report of District Annual, Miss F. Cranley. Hostesses: Mrs. F. Milne, Miss F. Cranley and Mrs. F. Cunningham.

The regular meeting of the Newmarket branch was held on Thursday, May 17, in the agricultural board rooms with Mrs. Phil Hamilton, first vice president, taking the chair. The members were sorry to learn of the sudden illness of the president, Mrs. Elman Campbell.

Mrs. H. F. Dunham was in charge of the meeting. She spoke on "Public Relations and Community Activities". An interesting letter from Mary Starr was read by Mrs. T. A. Mitchell. Mrs. Charles Willis reported on the ovarseas' box packed by Mrs. M. E. R. Boudreau.

The auditor's report was presented by Mrs. Dunham who later spoke on the untiring efforts of Mrs. D. Evans who looks after the flowers for the Institute during the year.

It was decided that the annual picnic will be held on Saturday, June 16, at 2 p.m. when the Institutes of York county meet at Sharon temple with the York pioneers.

The 25th anniversary of Snowball branch will be held at Snowball church May 31 at 2.30 p.m. Motto "He that knows only this generation remains a child". Roll call: "Name a historical spot in Ontario". Program in the charge of historical research committee. Special music and a solo.

Highlights during 25 years of achievements will be given. All past and present members are cordially invited. Lunch committee, Mrs. Blum, Mrs. Frank Williams, Mrs. W. Nesbitt, Mrs. C. Copson.

The May meeting of Aurora branch will be held on Tuesday, May 29, at the home of Mrs. A. Monkman, 29 Cousins Dr., at 2.30

p.m. Roll call "Bring a plant or perennial and name it". These plants to be sold at close of meeting. Please note the change of date.

Lakeside branch will hold the May meeting in the Memorial Hall on Tuesday evening, May 29, at 8 p.m. The roll call is to be answered by telling of the most interesting place you have visited. Mrs. Geo. White has charge of the program and Mrs. A. Hobson and Mrs. R. Serick are the hostesses for the evening. Reports of the District Annual meeting at Pefferlaw on May 22 will be given. We hope to have a large representation at this District meeting.

The April meeting of the Elm-grove branch was held at the home of Mrs. Lyman Watson. Due to road conditions, the attendance was small, with only 11 members present. The opening ode was sung followed by the Mary Stewart Collect. The roll-call was answered by paying your fees.

The election of officers took place: hon. pres., Mrs. John Munro; pres., Mrs. Elmer Hamilton; first vice pres., Mrs. Lloyd Pegg, all of R. R. 1, Sutton West; second vice pres., Mrs. Percy Brown; third vice pres., Mrs. Cecil Corps; sec.-treas., Mrs. Wm. Harris; assist.-sec., Mrs. Robert Melville.

District director, Mrs. John Munro; Institute directors, Mrs. Murray Munro and Mrs. F. Tomlinson; pianist, Mrs. John Munro; sunshine, Mrs. Robert Riddell, Mrs. Wm. Weldon, Mrs. Alex. Hamilton; press correspondent, Mrs. Murray Munro; historical research, Mrs. Thos. Comer; public relations and community activities, Mrs. Richardson; auditors, Mrs. H. Haines, Mrs. R. Riddell.

Lunch was served and meeting closed with God Save the King.

The May meeting of Sharon branch was held at the home of Mrs. E. Kiteley. Roll-call was answered by payment of fees. Two new members, Miss G. Nicklin and Miss Grant, were welcomed.

A donation of \$5 was voted towards the Canadian Institute for the Blind and it was decided to sponsor a tag day on June 2 for York Hospital Aid. Current events were given by Mrs. K. Weddel and an interesting and instructive paper on hilly culture was read by Mrs. H. Walker. June meeting takes the form of a picnic.

Officers for year 1951-52 are: hon. pres., Mrs. A. Shaw; pres., Mrs. F. Ramsay; first vice pres., Mrs. K. Weddel; second vice pres., Mrs. E. Farr; sec., Mrs. E. R. Donaldson; treas., Mrs. E. R. Fry; press corr., Miss N. Shaw.

District director, Mrs. A. Shaw; directors, Mrs. J. S. Osborne, Mrs. W. Selby, Mrs. E. Farr; Flower conveners, Mrs. E. Evans, Mrs. C. Pinder; home economics and health, Mrs. H. Boyd; historical research and current events, Mrs. C. Haines; citizen-ship and education, Mrs. H. Walker; public relations, Mrs. W. Osler, Mrs. E. Farr; agriculture and Canadian industries, Mrs. E. Evans, Mrs. Levi Weddel; Blue Cross group leader, Mrs. E. Kiteley; auditors, Mrs. J. Hall, Mrs. W. Osler; pianist, Mrs. A. Shaw.

A happy group of women, 20 members of Gornley branch, were guests of King branch on May 9. Their president, Mrs. Bernard Kays, was chairman. A sing-song, piano solo by Mrs. Fred Wilson, a recitation by young Dorothy Bayeroff, a piano solo by Joan Barrett, both 11 years old, and a skit entitled "The Housewife's Serenade, in costume, were presented.

Mrs. Jack Gamble, whose talent ranges from editor to author and elocutionist, gave excerpts from the Gornley Gazette, the W.I. periodical which she edits. Mrs. R. C. Bayeroff gave a paper on "Friendship the price of which, whether personal or community, is worth the price of sacrifice and love".

Be faithful to your W.I., the speaker stated. Nothing engenders more power in an organization than the spirit of goodwill. "A friend is a person whom you have never met, a country you have never visited," she said.

Mrs. Bayeroff emphasized the study of local history in the coming year's program. At a meeting of area conveners recently with Miss Anna P. Lewis, it was agreed that Institutes join with York County Historical Society to celebrate the annual meet at Sharon in June.

King branch will co-operate with the County Hospital Aid for a canvass of funds to be held on June 2. A door-to-door plan will be organized. Delegates to the District Annual on June 5 at Pine Orchard are Mrs. Howard Neill and Mrs. Gordon Wells. Several members have agreed to make knitted garments for the York county Children's Aid. Mrs. G. H. Polliott agreed to convene for work. "Our babies and children are always needing knitted things," the Children's Society pointed out.

BY GEORGE HASKETT
Newmarket Sports Editor

Wasn't that a dandy dish to set before the flood-light filters? Gordon Manning, Office Specialty G.M. and golf and baseball enthusiast, makes a generous offer of \$1,000 to start the ball rolling.

Charlie VanZant has checked around among other industrialists and citizens and everybody votes "yes" to aid. That's the spirit. We'll get 'em yet. This week, the engineer comes along to give costs, explain installations, advantage of overhead and underground wiring.

One thing, it seems, is the first cost installation is the main item. Upkeep isn't high. All the answers should be known this week so let's hear 'em and get on with the job.

Have been neglecting the fair sex entirely too much lately. Look for a big year in the ladies' softball circles. Coaches "Peaches" VanZant and Fred Dillman of the senior and junior girls appear to have well-balanced teams in the making. Several newcomers out with each nine, enough in fact to make the regulars hustle to keep their jobs. Coach VanZant may also be carrying an ace up his sleeve if he can talk Marg McCannan into reporting for duty. The ex-Sunday Morning Classer, journeys home three or four nights a week. That we'd like to see—if coachie gets the right answer can't see a thing stopping us from picking up the Barrie and District crown and possibly setting the P.W.S.U. afire.

Didn't someone pipe up in a very small voice at a recent town league gathering "we don't want box car scores this year"? Ouch! What happens? Specialty and Bell post 13-0 and 15-5 marks. Vanquished coaches "Pop" Holmes and Bob Murray point out, rightly so, practices have been few and as soon as their sides get down to business results will be different.

On the other hand, jubilant coach Mick Smith of the Hellom-men quips "It's only the beginning. Why those Bell hitters of mine will fill your back yard with covers off the ball." That's alright so long as they clean 'em up and say, maybe they'll cut the back lawn while they're at it.

For those who ask, Fred Dillman, chippy Hoffman ballstopper, is the only player boasting a 1,000 batting average, one hit and three walks in four appearances. Close in are Mickey Smith, John Hisey and Johnnie McTavish with 800's.

Morley "Joe" Case, recent nominee for the Mount Albert manhood, is on the sick list—out for a month at least. Up and at 'em, Joe. Get well soon. Fred Morris is full of woe. He won't have any ball players to chase this term. The North York circuit has folded. Hopes for a five-team circuit bit the dust when Thornhill slipped away to the Buttonville loop and Richvale passed up this season.

Charlie Stevens has a junior softball nine in the Hub just raring to get at those under 20's up along the lakeside, leastwise that's the report forthcoming from Don Gibson, Laurie Thoms and Grant Firth.

C. R. "Blackie" Blackstock and assistant Lou Lanier have their big day this Saturday at Pickering College. Everybody is welcome. Irving Arnold, sponsor of the Queensville "Realtors", has the right stamp—pep up the ball games. Sponsorman Arnold and his chief aids, Willard Cry-

derman and Wilf Elsby, have lined up cheering force of the Queensville fair sex to root for the home side at home and away games. To hear the trio talk, "Realtors" are going to be full of run and fight and worth cheering for. How about a sweater girl platoon for the South Enders? To listen in on the talks from "Joint" McComb and Cyril "Shorty" Keats, South End Rockets will make all the music necessary banging hits off the opposition infielders' shins. As a good south ender, we heartily agree—opps! bad better look out and duck. Pike Cabell and Elgin Hastings speaking on the matter dearest to their hearts at the moment—in a sporting way that is—report Schomberg will one softball crew and one idea, the bringing back of the O.R.S.A. intermediate title, a feat of the Sodbusters in 1945.

KESWICK

Mr. and Mrs. Angus King have recently returned from spending the winter in New Westminster and Victoria. Mr. King's daughter and his three sons planned a home coming party at which they presented Mr. and Mrs. King with a beautiful clock.

Then last Saturday evening, Mrs. King's sister and her three brothers met at the home of Mr. and Mrs. Murray MacMillan and presented Mr. and Mrs. King with a lovely chest of silver. The gift from the nieces and nephews was a complete set of crystal.

Mr. and Mrs. Percy Mahoney, also Miss Bessie Terry attended the wedding of their cousin, Wm. Gordon Mahoney to Jeanne Binns, at Calvary Anglican church, Toronto, Saturday evening, May 19.

Mrs. Thos. Mann returned from Detroit on Saturday with her son Munro Mann, after two weeks visit there.

Mrs. Harry Leppard visited relatives in Aurora a few days last week.

Mr. and Mrs. Angus King are visiting relatives here after spending the winter in B.C. They have been given several evening parties to welcome them home.

Mrs. H. Lovering has opened her Keswick Beach cottage for the summer after spending the winter in Toronto.

Mr. and Mrs. R. Hobson have returned after two weeks at their daughter's home in Cadillac Michigan.

Mr. and Mrs. D. Bastow of Toronto and Miss Betty Pollock of Newmarket, nieces of Mr. Freeman Pollock were guests for the weekend at the Pollock home.

The Keswick W.C.T.U. held its May meeting at the home of Mrs. Perry Winch Sr. The attendance was good and the meeting very interesting. Mrs. (Rev.) Campbell was in charge of the meeting and gave a devotional on "Peace" quoting many passages of Scripture as the highest authority on the question.

Mrs. Campbell also took the topic for the evening and was well prepared for additional thoughts on "Peace" as she supplemented her remarks by reading quotations from many pamphlets edited by the United Nations.

A lively discussion followed and all agreed that war preparation is necessary but that the real hope of permanent world peace lay in spiritual rather than material forces. Mrs. Irwin Winch gave a splendid account of the county convention at Bolton outlining the many encouraging and uplifting thoughts of the various speakers.

The cup of tea and lunch was enjoyed by all. The June meeting will be held at the home of Mrs. Hobson.

MOUNT ALBERT

Mr. and Mrs. W. H. Theaker, Miss B. Harmon, Beth Theaker and Arnot Toole spent Sunday at the home of Mr. and Mrs. Robt. Harmon at Parry Sound.

The tennis club will hold a dance in the community hall on Friday evening, May 25, when Don Gilkes' orchestra will provide the music.

Mr. and Mrs. Guy Rutledge and Mr. and Mrs. Geo. Allison, Stouffville, were Sunday guests at the home of Mr. and Mrs. T. Allison. Mrs. Geo. Allison and Mr. Guy Rutledge assisted the United church choir at the morning service on Sunday. There was also a quartet from the lodges which were attending service of Roy Stewart, Bert Head, Tom Allison and Guy Rutledge. The guest speaker, Rev. Howey, Aurora, gave all much food for thought.

An invitation to one and all to come to Mount Albert's 27th annual Sports Day in the park when you will be entertained from the time you go until you leave at bedtime. Ball games, horseshoe pitching, a midway, bingo, something to see and hear continually afternoon and evening. The supper by the Women's Institute is something you won't want to miss. Then a grand concert and dance in the evening with lucky draw to close your day of pleasure. See bills for further particulars and come Saturday, June 2.

Next Sunday will be children's service at the United church when the church school and congregation will meet at 11 o'clock. There will be a junior choir, a baptismal service and a story for children. Come and bring your family. Remember the time at 11 o'clock for everyone.

If you missed seeing and hearing the musical comedy, "The New Minister" by Cannington United church choir recently in Mount Albert hall, you can still hear it in Sharon hall on Monday, May 28, under the auspices of the Hobby club.

The Cherieo club will meet on Saturday evening, May 26, at 8.15 p.m. at the home of Mrs. Sam Harper.

MILK PRODUCERS

(Continued From Page 1)

facts and figures of milk production. The establishment of a marketing agency would, many feel, protect the producer from these influences.

One long-standing objection of the producers to present methods of selling milk is the two-price system under which the producer is paid top price for milk bottled and sold, and a secondary price to surplus milk. While recognizing that not all milk can be sold at top price, the producers object to a system which permits the dairy to decide what shall be surplus, particularly since the dairies make more, it is claimed, on the sale of surplus milk than on the sale of whole milk.

Although not explicitly provided for in the resolution for the marketing agency, the possibility of a producer-owned milk processing plant is strong. Such a plant would take care of surplus milk under producer direction, not as it is done now, under dairy direction.

Representatives from district 7, which includes the area around Newmarket and Aurora, were Jim Hope, a director, Max Neuroth, secretary for the district, and Walter McClean, and from the northern section of the district, Frank Todd and F. Cummings.

At a meeting at Sharon on Tuesday night, producers heard again demands that the executive place the whole story of milk production costs before the public. "We have an honest case," it was argued. "If we tell our story, the public will understand it." At present they hear only the stories of the dairies and other "special interests."

Five Teams Entered In Barrie Loop

The Barrie and District ladies' softball loop has a fifth team, the Stayner-Creemore "Combiners". The good news was announced at the league meeting in Barrie last Wednesday. Home games of the new team will be played in Stayner.

Barrie will only field one team, the Valleys, this year and along with Midland, Orillia, Newmarket and new club will complete the circuit. Newmarket hits the road to Midland Monday to pry the lid off against the reportedly strong Midlanders. Local opener will be at the S.S. diamond Thursday, May 31, with Barrie "Valleys". All local home games will be aired on Thursday evenings.

Fore-part of the schedule is: May 28, Newmarket at Midland; May 30, Midland at Stayner; May 30, Orillia at Valleys; May 31, Valleys at Newmarket; May 31, Stayner at Orillia;

June 4, Valleys at Midland; June 6, Orillia at Stayner; June 6, Newmarket at Valleys; June 7, Stayner at Newmarket; June 7, Midland at Orillia.

Hold Annual Gymkhana At Beverley Farms

Toronto and North York Hunt held its annual gymkhana at Beverley farm, Aurora, on Saturday. With perfect weather all classes were well filled. Judges were Mrs. T. B. D. Tudball, Major Charles Kindersley, M. F. H. of Eglinton Hunt, assisted by Major Edward Gundy, M. F. H. Cattistock Hunt, England.

Robert Hollingsworth and Capt. Dick Patton acted as ringmasters. Arrangement chairman was Col. R. G. Rudolf. Miss Phyllis Rawlinson took care of all entries. Major Clifford Sifton, joint master of the hunt, attended with Mrs. Sifton who awarded several of the trophies.

First came the sack race won by Walter Routledge, second Graham Routledge, third Ralph Pearson. Potato race, Gord Cummings, Tom Gayford, Deborah Cuthbert; musical chairs, Walter Routledge, Deborah Cuthbert, John Woolley;

Costume parade, John Woolley, Penny Stride, Mrs. Nancy Stride; horsemanship for pony club members, Alice Scott, Ralph Pearson, Beverly Rogers.

One of the most exciting events was the steeple chase, won by Ralph Pearson who beat his mother, Mrs. Carol Pearson. Third was Mr. Harold Woolnough.

Handy Hunter was won by Ricky Crang on Cobalt; Mr. B. G. Smith riding Harold Woolnough's Rocky, Tom Gayford on Rocket.

The final event was the parade of the hounds.

Six Teams Entered In York-Peel League

The Peel-York Softball League will have six teams, it was learned at the annual meeting of the association in Nobleton last week. Entries were from Schomberg, King, Pottageville, Kettleby, Woodbridge and Nobleton.

Officers are Robert Moody, Schomberg, president, Geo. Forrester, R. R. 2, King, vice president; and Bruce Hall, King City, secretary-treasurer.

ON THE ALLEYS

Myrtle Dunn has again captured the Herman Bennett trophy, season and prize for the "Thursdays" night ladies' league. Totals over the three night play-off were Myrtle Dunn 1,498, Hazel Bennett 1,817, Ella Wilkins 1,702. Top bowler on the final play-off night was Edith Hall 664 (338-175-151). Myrtle Dunn 561 (269-193-249), Ella Wilkins 636 (203-221-212). In the 500 circle Doris Beare 549, Marie McCabe 538, Hazel Bennett 532.

OPENER WASHED OUT

Tuesday's rain halted the opening game of the Aurora Town Softball League. Collis Leather "Tanners" and Mickey Sutton's Ditch Diggers were to play Harts and Merchants - Junior Chamber of Commerce with probably open next Tuesday evening in the Aurora town park at 7 p.m. The league has settled down to a straight four-team battle with Collis Leather, Ditch Diggers, Harts and Merchants - Junior Chamber of Commerce entered. Collis won the crown last year.

RAVENSHOE

The regular monthly meeting of the W.M.S. will be held in the United church on Thursday, May 31, at 8 p.m. Queensville Evening Auxiliary is in charge of the program including a play entitled, "Challenge of the Cross". We are extending an invitation to all that wish to attend. Ladies, if you can't drive bring husband by along. All men are welcome.

HASHMAN AWARD

Shedlowick Gets Nod

Just like in bingo, every week a winner!

Dug right into the very young softball season—the town league inaugural in fact, for this week's Hashman Award. Our choice is John Shedlowick, Office Specialty fire ball ace. John came up with a three-hit pitching performance to freeze the Top Holmes-Cecil Andrews Town "Atomies" 13-0.

That in itself would have started your Hashman looking Johnny's way but the ace fire baller made sure we didn't forget him by putting the wood to the apple for three solid socks, a double and two triples in four trips to the dish. So this week's pass to the Roxy theatre goes to John Shedlowick.

Next week, who knows? Leastwise, will have to keep on our toes as the Aurora Town League goes into action and local Towners swing into a three-game a week blitz.

Jerry Hugo Sr. Champ Mary McInnis For Girls At N.H.S. Annual Meet

Newmarket High School track and field meet set a record for number of competitors. The 53-event program, usually reserved for the fall, was run off this year as a preliminary to the tri-school meet with Aurora and Richmond Hill for the Eckhardt Trophy.

Jerry Hugo was forced to the limit to repeat this year as senior boys champion with a first, five seconds, and two thirds for 22 points. Ron Lockhart and Howard Ash compiled 21 points each as runners-up.

Ken Wheeland had three firsts, four seconds and a third for 28 points in intermediate. Freeman West was a close second with 26.

Robert Dick got four firsts and two seconds for 26 points in junior. Bob Forhan followed with 15 points.

Mary Ellen McInnis with two first for 10 points shaded Joan Widdifield and Pauline Bovair with eight each for girls' senior laurels.

Lois Gibson got nine points for intermediate with Dorothy Brilinger one point off the pace.

Dawn Gilman ran two firsts and a third to an 11-point total to become girls' junior queen. Elsie Mitchell was runner-up with nine points.

One feature was the girls' junior high jump with 90 contestants entered and it took over an hour to declare a winner.

Two records that did tumble were for the mile run, in which Freeman West snipped off almost a minute with a time of 5 min 31 secs. against previous mark of 6 min. 23 secs. Taylor Gilbert leaped 9' 2½" in senior standing broad jump to break the old record of 9' 3".

HOPE DEFINITELY IN

Rumors have been coming thick and fast the past week that Hope had dropped from the Lake Simcoe Softball League race. "Discount 'em. We'll have a team and a good one," reports Bob Mitchell, Hope's number one softball worker. Longford Pegg, appointed manager some weeks back, has contacted most of last year's team and they're raring to go.

AURORA TENNIS

Plans for another active season at the Aurora Tennis Club courts were set in motion at a recent meeting of the club. The following were elected: pres., Mrs. G. Gerrow; vice pres., Pat Davies and Beverly Smith; sec. treas., Cosmo Lopatillo. The courts are being put into shape. Any one interested in joining the club, specially juniors, can have particulars from any member of the executive. Aurora Recreation Commission is lending aid in getting the courts in shape.

OPENS MAY 28

Simcoe League Review

Lake Simcoe league opens Monday with Belhaven, the league's new entry, vs. the Queensville "Realtors". Modern trend, with the impending approach of the opener, is to run a quick review of the nine teams. So it's to business.

First the Zephyr "Blues", defending cupholders. The Blues have lost three regulars, Roy Taylor, Les Rixley and Ches Lunney. Zephyr's hope is wrapped up in the side-wheeling right arm slants of Ron Kester. If Kester's wing holds up Zephyr should be in fair way to repeating its win.

Mount Albert, finalists last term, is still awaiting the word whether Ken "Red" Mitchell has hung up his softball tongs for good. If Mitch comes back and the Mounties snare a replacement for Ross Draper, their back-stopping whiz, with an assist from some up and coming newcomers plus veterans Lorne Rutledge, Charlie Green, Hal Watts, Kelly Case, Vern Pegg, Elmer Paisley, Mount should be top contender.

Belhaven: newest entry, has Duff Sedore, one time Brown Hill and Willow Beach flinger, plus Bernard Kay to sneak over on strikes. From Willow Beach, they have Irwin Davidson, Don Cooper and Bob Winch. Add to this Judd Rutledge, former Mountie short-fielder, and it all checks with a strong contending side.

Keswick: could be the year for the power house swingers to carry off the trophies. The "Wicks" have power at the dish with Ken Hodgins, Bob and Claude Pollock, Charlie Stevens and Tommy Hare. Three newcomers, Jim Cook, Alb Smith and Bruce Lockie, last year with Queensville, will help the situation. Bill Stanyer is coaching and holding down the initial sack. An eager-beaver crew and should Harold Smith come through with a winging good term, better make a date for a softball banquet at Keswick.

Willow Beach: They're talking championship. Cecil McNeill for chucking and Ted Anderson for catching combine to make a strong twosome. Old hands are Don Anderson, Don Trivett, Al Chappelle and yes, Don Cameron is eligible this year. Pete Jacobs is coaching and some shakes as a ball player we're told.

Queensville: The surprise packet maybe. Young nine, full of activated gas. Coach Wilf Elsbay is hammering away at speed and polishing off the rough edges in the infield. If his work shows dividends, better watch out for the Realtors.

Moving into the south, Pine Orchard will combine veterans with hustling youngsters. Ted Tid-

man and Harvey "Josh" Preston will split the hurling. Bill Dike for mask duty.

Vandorf: coach Art Starr isn't firing any rash promises of the Duffers galloping off with the Stan Cook plateware. Duffers have about the same squad as last term with Harold Botham and the Preston brothers for mound work and might just make the play-off fun they missed by a cat's whisker last year.

We left Hope until last, not because we figured that's where they'd finish but merely because Bob Mitchell and company are dusting up the side roads in search of players. Hope has until Tuesday to file a list of its players for after a rosy picture painted at the organization meeting. It has lost several keymen and is looking for replacements.

Monday to Thursday schedule: May 28, Belhaven vs. Queensville; May 29, Willow Beach vs. Zephyr; Mount Albert vs. Hope; May 30, Keswick vs. Pine Orchard; Vandorf vs. Belhaven; May 31, Queensville vs. Mount Albert; Hope vs. Willow Beach.

John "The Long" Hisey all but tore the cover off the apple with a burst of early season power that would have shamed Dimag, a homer, triple and two singles. Bruce Andrews and John Shedlowick smashed out three apiece and Tod Mosier socked two solid safeties to give Long John a run for batting honors.

Specialty: H. Boag, B. Andrews, T. Mosier, J. Hisey, D. Gibson, B. Cook, D. Burch, J. Shedlowick, L. Blunt, C. VanZant, D. Barber, J. Glenn, L. Waller.

Aurora Wins Eckhardt Cup Again

A salute to the track and field athletes of Aurora high who triumphed in the North Secondary School meet on Wednesday to annex the handsome Eckhardt trophy, emblematic of track and field supremacy, for the third straight time. Since 1925, when the big mug was first competed for, no school had triumphed three years in a row until Aurora came through with a great all-round performance.

This was the first occasion the meet was held in the spring and with Newmarket the only school not bothered with cadet training it was thought in many circles the purple and gold would have an edge. In place of that, both Aurora and Richmond Hill finished ahead.

There is a no more colorful event in the district and the weather was perfect, although Tuesday's rain left the terrain something less than a meet of this calibre has the right to expect. We caught a glimpse of the proceedings briefly and young Jim Loblaw and Gaye Morning had both cracked long standing records as had Bud Youngbird, Richmond Hill, as he soared with the greatest of ease over the pole in the junior pole vault event. More about the meet later. Aurora has now won the cup nine times of Newmarket seven and Richmond

Simcoe Loop Passes On Player Lists

The Lake Simcoe Softball League executive with president Ross Chapman in the chair met Friday to iron out kinks for the coming campaign. Each team with the exception of Hope, who had until Tuesday to file a players' list, submitted their roster for this year for approval.

Bill Haskett was named umpire-in-chief and Royden Connell and Bruce Townsley were taken on a trial basis. Team eligibles were:

Vandorf: Clem Ellas, Bill Hammond, Grant Preston, "Cab" Preston, Bob Staley, Norm Heintzman, Bill Kingdon, Harry Lavender, Art Starr, Walt Patenden, Lloyd Preston, Harold Botham, Cecil Mackay, Earle Tryon, Bill Adams.

Zephyr: Carl Meyers, Ron Kester, Alan Lockie, Stan Lunney, Clark Arnold, Ken Pickering, Don Hewlett, Bill Lockie, Morley Bain, Harry House, Gord Rynard, Ches Lunney, Gerry Pickering, Bill House.

Belhaven: Hal Tomlinson, Geo. Davidson, Merlyn Winch, Irwin Davidson, Don Cooper, Bernard Kay, Ron Kydd, Bob Winch, Lawrence Kay, Judd Rutledge, Claude Yorke, Duff Sedore, Harold Knights, Kyle Fairbairn.

Queensville: Harvey Evans, Doug Smith, Jack Perry, Don Breen, Ron Beckett, Carl Pickering, Lyman Hall, Wilf Elsbay, Bruce Pegg, Bruce Greig, Bob English, Ron Williams, Lon Ganton, Ron Breen, Russ Pegg.

Mount Albert: Hal Watts, Ken Mitchell, Lorne Rutledge, Chas. Green, Kelly Case, Vern Pegg, Elmer Paisley, Mike Mellon, Don Walker, Geo. Green, Jack Hicks.

Gord Rolling, Ralph Harrison, Bill Card, Nelson Case.

Pine Orchard: Ed Tidman, Bill Dike, Del Dike, Harry Brammer, Doug Hope, Harvey Preston, Clarence Preston, Lorne Shropshire, Bob Shropshire, How Ash, Stan Pollard, Doug Card, Jim Sheridan, Frank Whitty, Ross Lundy.

Willow Beach: Chas. Sinclair, Don Cameron, Cec McNeill, Ted Anderson, Don Anderson, Al Chappelle, Jack Vance, Jim Cole, Bruce Fairbairn, Pete Jacobs, Don Trivett, Alf Lister, Art Vance, Sam Robson, Gord Lister.

Keswick: Ken Hodgins, Hal Smith, Jim Cook, Alb Smith, Bob Pollock, Tom Hare, Bruce Lockie, Bill Stanyer, Claude Pollock, Art Moorecraft, Grant Thompson, Gord Clark, Tom Miller, Chas. Stevens.

Bell Takes Hoffman 15-5, Specialty Tops Atomies 13-0

Town "Atomies" found that errors will flunk any team on Friday in the Town League opener. They committed nine big juicy bobbles and Pete Neufeld's Specialty nine made a huge profit to drop the Atomies 13-0. Specialty also got the benefit of steady three-hit twirling from fire-balling Johnny Shedlowick.

Shedlowick subdued the would-be town woodswingers, allowing only one to reach the three quarter station. That was Bill Smith. Smithy opened the second with a clean down the center single and legged it to third on the lone Specialty miscue but died there. Along with Bill Smith, other town hitters were Keith Walton and Ross "Hope" Eves. Specialty scored in all but one frame, the second, as Ivan "Lefty" Gibson, Atomies flinger, was kept in the trying pan by his buttery-fingered mates. Specialty's potent swings for base-knocks hit its biggest fling in sixth as they chased across five runs.

John "The Long" Hisey all but tore the cover off the apple with a burst of early season power that would have shamed Dimag, a homer, triple and two singles. Bruce Andrews and John Shedlowick smashed out three apiece and Tod Mosier socked two solid safeties to give Long John a run for batting honors.

Specialty: H. Boag, B. Andrews, T. Mosier, J. Hisey, D. Gibson, B. Cook, D. Burch, J. Shedlowick, L. Blunt, C. VanZant, D. Barber, J. Glenn, L. Waller.

Outside the three-bagger Murray McDonald whacked out in the second with two mates aboard to touch off a three run rally, all the Hoffman counters were the direct result of Cooke's wildness.

Mick Smith and Johnny McTavish proved the old dating eye is still as good as ever as they tied the can to Bill VanZant's nothing ball for four hits apiece, each whacking out a base cirler as part of their loot. Morley Cook pumped out three bingles and Bill "Hot Shot" Johnston with two heaped more misery on the tired Hoffman nine. Though pounded unmercifully by Bell batters Bill VanZant sent 11 Bellmen down swinging.

Along with Murray McDonald, Fred Dillman and Grant Blight collected other base-knocks off Cooke.

Bell Telephone: W. Johnston, D. Smith, J. McTavish, M. Smith, S. Evans, J. Teasdale, M. Cook, R. Cody, J. Smith, R. Parliament, I. Brown, H. DeLafaye.

Hoffman: F. Dillman, W. VanZant, K. Thoms, M. McDonald, G. Blight, R. Smalley, L. Thoms, S. Bryner, D. Scott, H. VanZant, R. Benville.

What They Are Saying

On Wednesday night, June 13, the Aurora Fire Brigade will turn its talents into providing one of the biggest shows in its long and famous history. The title of that show is "A Monster Street Dance and Parade."

The fireman's parade has not been seen on the streets of Aurora since the year 1938. After a lapse of 13 years it is being revived and will be seen in all its glory on the night of June 13. Until the parade was cancelled 13 years ago, it was an annual event in Aurora. The intention of the firemen is that the parade will once more become an annual show.

But that is only part of the story. The firemen are arranging a parade of floats and bands. For the best decorated floats prizes are being given in amounts of \$25, \$15 and \$10. The new \$15,000 fire truck will be out on a baptismal tour, giving a demonstration.

There will be great doings in the old town on the night of June 13. From the south end of the town the parade will begin its journey at 6.30. When all these spectacular events have come to an end, another form of entertainment will begin in the town park. This will be a dance, commencing around nine o'clock.

The acting committee, responsible for the arrangements, are Ken Rose, chairman, with Don McClusky, Gord Burling and Doug Knowles, from any one of whom full details may be obtained.

We ran into this little bunch of enthusiasts the other evening at the firemen's hall, and with them was Stew Patrick. They believe that the arrangements in progress for the night of June 13 will result in a show that will renew Aurora's pride in its fire brigade. All that is needed is good weather, and we feel sure that with so many thousands in the list, good weather will bless (Page 12, Col. 3)

Aurora Town Council Considers Dogs, Land Parking Site, Meters

A general meeting of the Aurora town council was held in the municipal chambers on Monday night, May 21, and there were present Mayor Bell, Reeve Cook, Deputy Reeve Murray, Councillors Corbett, Davies, Fielding, Gundy and Jones. Also in attendance, town clerk, H. N. Clark, assistant town clerk, K. G. Moses, and town solicitor, Lorne C. Lee. Business ranged in variety from parking meters at five cents an hour to a public school board debenture of \$250,000.

Before the beginning of regular business, council received from Mr. S. G. Hoffman a list of the names of the merchants who are petitioning for the installation of parking meters. Mr. Hoffman, on behalf of the petitioners, respectfully requested that council might come to an early decision on the matter of the petition.

Arising out of the correspondence, considerable discussion arose on a letter from the North York county health unit. Mayor Bell questioned whether the service equalled the former V.O.N. Reeve Cook had words of praise for its recording system, and the deputy-reeve did not think that the organization had yet had time to show its possibilities.

On a motion by Councillor Davies, seconded by Councillor Jones, council agreed to send a payment of \$300 to the health unit.

KNOW YOUR MERCHANTS

Frank J. Smith

Of our boyhood days one memory stands clear though the years.

We remember an old man and his son whose trade was that of the shoemaker. Together they used to sit and sew, using long waxed threads, and at the end of their labors were shoes of lovely quality and style. They followed an ancient trade, to whom kings and common men alike are obligated.

Through the years that ancient art of shoemaking has undergone such changes that the individual shoemaker is now almost as extinct as the dodo. Much machinery and many individuals are now employed in the making of our footwear. Each machine, each individual contributes his and his and her part to the making of the shoes we wear.

The subject of this week's portrait sketch is not a merchant now, in the strict understanding of the word. He no longer makes and sells shoes of his own creation. That time is past. But there was a time when Frank Smith, and his father, Charles, did make and sell shoes, made by hand from their own home-designed lasts. Strictly speaking, Mr. Smith is now a shoe repairer.

Aurora Old-Timer
Ignoring the strict interpretation of the term "merchant", we felt that it would give many people a great deal of pleasure if we included such an Aurora old-timer as Frank Smith in our personal series. In fact a well-known Main street merchant did remind us the other day "not to forget Frank Smith".

The sign over the sidewalk adjoining Mr. Smith's premises, where hangs the large red shoe that would fit a giant, reads "F. J. Smith". But if you enquired for F. J. Smith, ten to one nobody would know to whom you were referring. But if you asked for Frank Smith, anybody in Aurora would direct you to the small store on Wellington St. where any day you can see an assortment of shoes varying in degrees of decay, from tiny surface injuries to large scale holes that you would think were beyond the skills of man to repair.

Frank Smith is an Aurora institution who has served the public of his adopted town for the past 32 years in his present location. His father, Charles Smith, was in those premises ten years earlier, and was a shoemaker for nearly 50 years.

Mr. Smith is a man of very modest demeanor. But it is his belief that, if there is anything left at all of the original, he can repair any type of shoe and prolong its usefulness. Judging from what we have seen in his store, we would say that his skills are often put to the severest tests. There are many types of artist. As a shoe repairer, Frank Smith is an artist in the first class category.

Call of the Hunter
If you want to rouse the gleam in Frank Smith's gray-blue eyes don't, however, talk about shoes. Just mention the word hunting. Then you'll quickly inspire old memories and speed the tongue of an old-time hunter. Born at

VICTORIA DAY

This day, May 24, is Victoria Day. What is Victoria Day? We imagine that if the question were put to our younger generation and to many of the elders among us, the answer would not be immediately forthcoming. And no discredit would be attached to anyone.

Queen Victoria, queen of Great Britain and Ireland, and Empress of India, reigned for 64 years. So far as we know, only one imperial reign lasted anywhere as long and that was the reign of King Louis XIV of France, who occupied his throne for 62 years.

The two most remarkable women in British imperial history were Queen Victoria and Queen Elizabeth. The latter queen, who died in 1903 after keeping her throne for 45 years, had a powerful sway over her countrymen. These two women had much in common. They were both small in stature, but great in strength of mind and will. Elizabeth lived to see her country unmatched in naval power; and unmatched in almost every other national attainment.

The reign of Queen Victoria was a witness of the rise of Britain to its greatest achievements; in naval pre-eminence, and also in industrial, social, artistic and scientific triumphs. May the 24th was the birthday of this great woman whose memory we honor today. Empire, or Victoria Day, was inaugurated in the year 1902, to be regarded as a holiday.

Since the death of Queen Victoria cataclysmal events have reshaped the world. Both Ireland and India are now two separate states. And the naval supremacy of Britain has been overtaken by the United States. But Britain is yet a mighty land, and her people have no superiors.

With fun and fireworks we celebrate Victoria Day. And in this way we salute the memory of a great lady, who died just 50 years ago.

PUSSYFOOTING

We did not go to the planning board meeting advertised to take place in the Legion Hall for the good reason that we did not think it was worth the sacrifice of precious time. We had seen the drawing, called a zoning map, at council on May 7 and that preview was sufficient for us.

The oracle on Aurora's comic weekly appeared to derive some passing pleasure from reporting the absence of what is described as "self-styled opposition". We would suggest that a "self-styled opposition" is always preferable to a marionette suppliantly responding to strings pulled behind the scenes; but we'll let that pass.

A meeting consisting of approximately 50 or 60 persons cannot by any twisting of words be described as a representative meeting of Aurora citizens and property owners, although it is now stated that as the result of that skeleton parody in the Legion Hall the planning board will ask council to pass a zoning by-law.

We hope that council has learned some measure of wisdom from past controversial events, and that it will not pass another restrictive planning board by-law. When the people of Orillia recently were asked to agree to a zoning by-law a map was published in the newspaper which showed what the citizens and the property owners might expect. The Orillia council undertook to pass no zoning by-law to which the citizens did not agree.

The Aurora town council ought not to consent to any more power passing from its hands to the provincial government.

We weren't at the Legion hall to hear the pundits "do their stuff". But a well-known citizen was there. When we asked him what he thought of the show he replied: "Just a lot of pussyfooting". We like that description, "pussyfooting". The oracle, of course, wouldn't know the meaning of the word.

EDITORIAL HONESTY

There are more ways than one of filling the editorial page of our weekly newspapers. Most editors write their own editorials. They would abhor the idea of purloining the work of someone else and palming it off on their readers as original work.

Such editors are honest men who observe standards of ethics that forbid them using the work of the brains of others. Whether their editorials are good, bad or indifferent, they are their own, and no one can come to their office and say: "That was a very good editorial in your paper last week, but I read the same editorial in another weekly. Did you write it, or did the other fellow write it?"

Having written our own editorials over many years, we would be horribly embarrassed and humiliated if someone said to us: "That was a good editorial you published in AURORA NEWS PAGE last week, but why didn't you acknowledge the actual author of the article, instead of leading people to think that you wrote it, by failing to acknowledge the real source of its authorship?" If that happened to us we would retire from AURORA NEWS PAGE, our face red with humiliation and our conscience sorely troubled.

There are no objections whatever to any editor republishing an editorial from another paper, always providing that its original source is duly acknowledged, in fairness to its author and to the people who read it. To republish the work of another and not acknowledge its real authorship is plagiarism.

To make our meaning clearer we will cite an example. In last week's issue of the "Aurora Banner" there was an editorial entitled "Learning by Experience". That editorial appeared the week before in the Bowmanville weekly, "The Canadian Statesman". It was republished in the "Aurora Banner" without acknowledgment.

JUNIOR CHOIR WINS FIRST AT PETERBORO

Aurora United church junior choir, conducted by Mr. Illyd Harris, obtained the highest choral marks at the Peterborough Kiwanis Music Festival last week. Eighty-seven marks were obtained in the class for junior church choir under 15 years of age. This total was ten marks higher than that of the Peterborough choir, which won second place.

Another shield was won by the Aurora choir in the intermediate church choir class, with marks of 83.

Richard Holborn, of Sutton, Mr. Harris' only pupil to take part in the Peterborough Kiwanis festival under 21 years of age, won first place. He is a baritone singer.

S.A.C. CADETS CORPS SHOWS ABILITY

The Cadet Corps of St. Andrew's College (affiliated with the 48th Highlanders of Canada) held its 47th annual inspection on May 16, in the presence of Major General H. D. Graham, C.B.E., D.S.O., E.D., G.O.C. central command, and Capt. K. T. Busby, cadet training officer, central command.

Instructors of the Cadet Corps were: Capt. J. A. Holmes, chief instructor, Major R. C. Gibb, Capt. J. S. Macfarlane, Sqdn/Ldr. H. T. Holden, Mr. T. M. Adamson and Mr. J. C. C. Wansbrough. Cadet Major F. D. Moores was the officer commanding the corps.

A lengthy program of events was carried through with success, reflecting great credit on the instructors and organizers of the inspection. At the conclusion of the display tea was served in the Upper School Dining Hall.

OIL MAKES A COUNTRY STRONG

THE ROUGHNECKS ARE MOVING ON!

In the language of the oil fields, "roughnecks" are the men of the drilling crews who probe deep in the earth for oil. You'll find them in any oil field doing the hard tedious work that goes into the drilling of every well.

But roughnecks like it best when the going is toughest and most exciting—when they move on to search for oil where it has never been found. In Alberta the odds are against them, only one wildcat well in 20 is likely to be successful.

Working against these odds, roughnecks' drills have tapped more than a billion barrels of new oil in Alberta since 1947, bringing new prosperity and new security to all Canada. In fact Canadians now produce one in every three barrels they use—but we still must depend on foreign countries for the other two. To be self-sufficient we must have three times our present reserves.

The roughnecks keep moving on in the unending search for oil. As they succeed they benefit and strengthen the entire nation.

About Canada's Oil

Before discovering the Leduc field in 1947, Imperial drilled 133 exploratory wells in western Canada—all dry—over a period of almost 30 years.

The cost of an exploratory well varies from about \$100,000 to more than \$1 million.

It is estimated the oil industry will spend \$200 millions on exploration and development in the prairies this year.

What They Are Saying

CONTINUED FROM AURORA NEWS PAGE

the fortunes of our worthy firemen.

We shall bring more news to our readers of this coming event. In the meantime we take great pleasure in making these preliminary announcements.

We went down to the meeting of the Recreation Commission on Thursday night, May 17, under the chairmanship of Don Glass. Others present were: Councillors Corbett and Fielding, Rev. G. H. Purchase, W. Allan, Dick Buchanan, Tom Swindle, Les Steadman, Recreation Director, Tom Dickson, Mrs. Helen Dickson, secretary-treasurer, and Mrs. Stavert, director of handicrafts. It was a business-like and, in some respects, a lively meeting. Minutes of the previous meeting, correspondence, accounts, treasurer's report and committee reports took up considerable time. After which chairman Don Glass extended a hearty welcome to the new members of the Commission, Rev. G. H. Purchase and Mr. Allan.

Members of the Commission are still feeling sore over the sum of \$2,600 appearing on the tax accounts, which members assert is likely to mislead taxpayers into the erroneous belief that the town is paying the Commission that amount for working expenses.

As has already been pointed out, the sum of \$2,600 includes \$1,500 which is expected will be the amount of a grant by the provincial department to the Commission. The remaining balance of \$1,100 represents normal wages expenses borne by the town. That is the understanding in regard to the \$2,600 shown on the tax bills.

If the Commission were sore on the matter of the tax sum, it appeared from what Councillor Fielding had to say that the Council were "mad" with the Commission. And for this reason: In the brochure recently published by the Commission, telling of its history, occur these words: "Early in 1947 an attempt was made to induce the town council to purchase a modest amount of playground equipment to be installed in the park, but they failed to approve of the project. However they did agree to purchase the material for three sand boxes, which were duly installed."

"Undaunted by the indifference of the council, the sponsors of the movement (the original members of the Commission) proceeded to establish a children's playground on a vacant lot on Tyler street, etc."

Mrs. Fielding said that council took strong exception to the words "indifference of the council."

Expressions of support for the wording of the paragraph came from several members of the Commission, especially from Mr. Swindle who said that "indifference of the council" was absolutely true. If the statement were true of the council of 1947, what had the council of 1951 to grumble about?

Asked for his opinion, Councillor Corbett said that if council deserved a rap, then they should take the rap. He did not consider that the council had any real reason to object to a rap in

this instance.

A motion by Councillor Fielding, seconded by Mr. W. Allan, that the words complained of be deleted from the brochure, was lost, only the mover and second-er voting for it.

We greatly wonder why the 1951 council should be so sensitive about some mild criticism directed against their ancestors dating from the year 1947. Are they being sparked into action by their ancestors, who resent the facts being made known of their indifference to the provision of amenities by the Recreation Commission, which in spite of the "indifference" of the 1947 council remained "undaunted", and went on to great success.

Resentment of criticism by men holding public office is a form of delayed mental development. "The public man," said the great Churchill, "who cannot take criticism should go to bed and stay there." In the above instance, as the facts abundantly prove, the council of 1947 were lacking in an understanding of communal needs. It was fortunate that there were men like Tom Swindle who remained "undaunted", and proceeded to supply an urgent need, backed by their personal resources.

Chairman Don Glass, reporting on the work initiated by the late Garnet Barrager in connection with the formation of an art class, stated that the well-known artist, Mr. Tolman, had most generously agreed to take 18 approved students from the public school for free tuition. Mr. Glass stated that Mr. Tolman anticipates the formation of the classes in the early autumn. The Commission paid tribute to Mr. Tolman's generous assistance to the culture committee's activities.

Then followed a tribute by Mr. Swindle to the work of the chairman in arranging the Band display in the town park on Sunday evening, May 20, at 8.15 p.m., as advertised in last week's AURORA NEWS. Present at the Display will be the St. Andrew's College Pipe Band and the Aurora High School Cadet Band. We trust the weather will be favorable for this outstanding local event.

Recreation Commission director, Tom Dickson, gave a lively report on summer sports' activities, referring to the demand for juvenile baseball. He pointed out that there is every evidence of a rejuvenated tennis season, and that 26 members were already enrolled.

The Aurora Recreation Commission is to be commended on the fine work it is doing on behalf of the young people; and in the promotion of healthful town enterprises.

The Aurora Agricultural Society will sponsor its annual Horse Show in the town park on Saturday, June 9. Judging will commence at 11 a.m. Midway on Friday evening June 8 will be continued through Saturday. In the ladies' section there will be a display of home cooking; and an arts and crafts exposition in the high school auditorium on June 9.

Further details concerning this important Aurora annual event will be found in our NEWS PAGE in next week's issue.

Congratulations to Murray Oliver on his winning a scholarship to the Ontario College of Art. Murray's exhibitions at the Aurora Art Club have been an attractive feature for the past few years.

On enquiry we were glad to learn that Susbelle, 2½ year old daughter of Mr. and Mrs. Les Beazer, is back from York County hospital and is making a good recovery. The many friends of the Beazers were relieved to hear of the accident that befell little Susbelle.

Just before going to press we received a telephone call from Irwin Watts who informed us that Wednesday, May 30, will be the official opening date of the Aurora Lawn Bowling club's season. It is hoped that Mayor Bell, himself a keen lawn bowler, will be present to deliver the first official bowl of the season. The club has many engagements on their season's program and are looking forward to a very successful year.

ZEPHYR

Mr. Emm is receiving treatment in Toronto General hospital. We wish him renewed health and a speedy return.

Mr. Stuart Graham spent the weekend at his home here. Mrs. A. B. Lockie left on Thursday for Quebec from where she will sail on the Empress of Scotland to spend the summer in England.

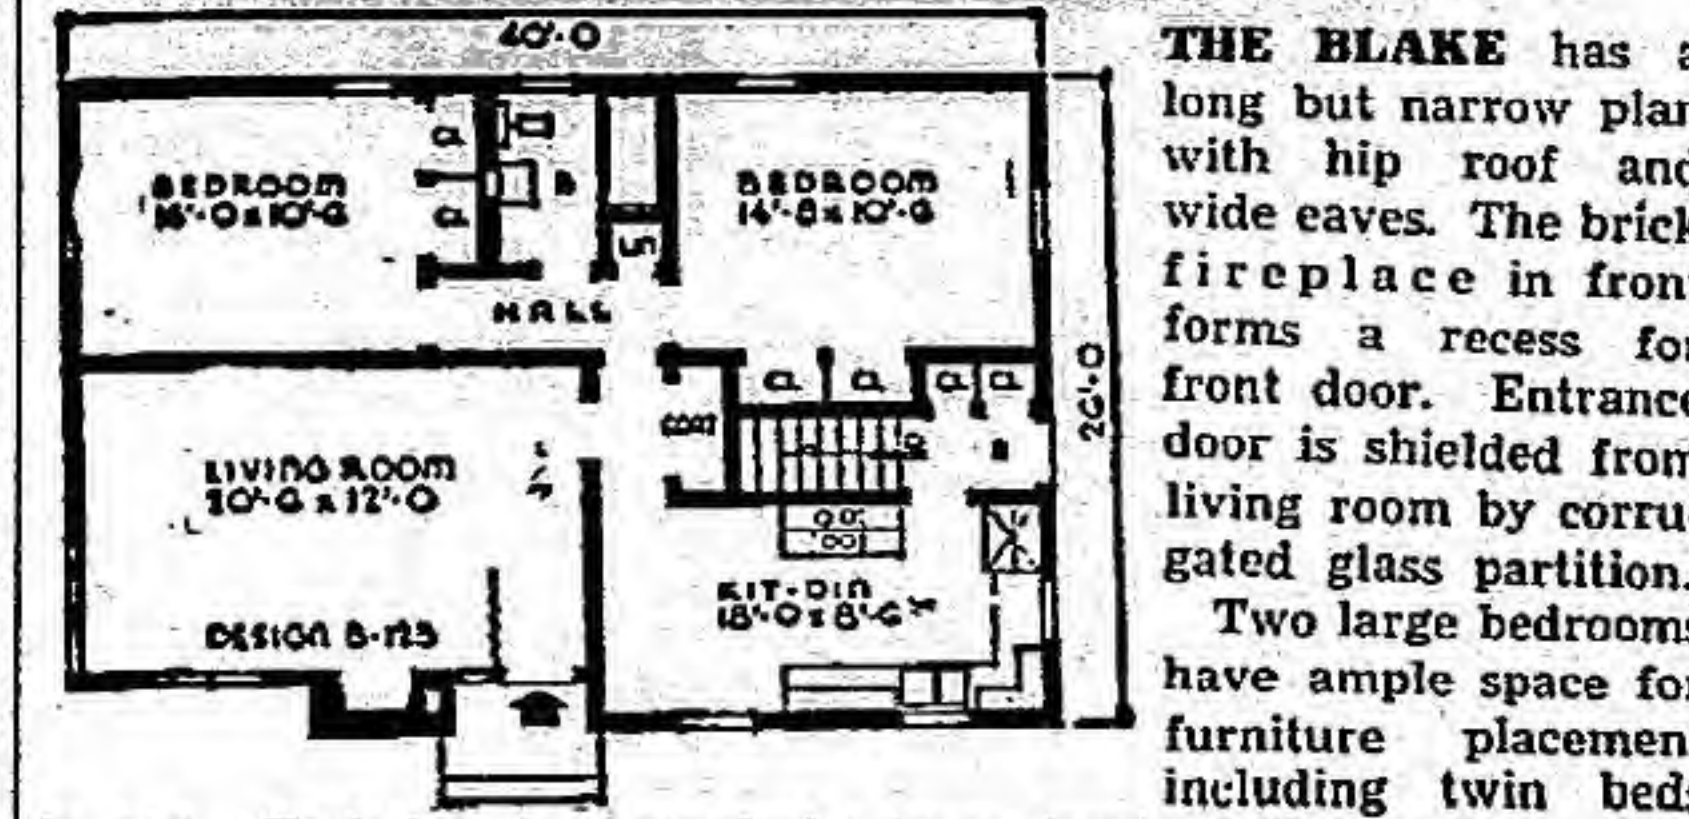

Congratulations to Mr. and Mrs. Bruce Lockie, Miami Beach, on the birth of a baby daughter at York County hospital on Saturday, May 19.

Some friends from here attended the Risebrough and Blair wedding in the Sanford church on Saturday.

We are sorry to report the serious illness of Mr. John Shaw. Mr. and Mrs. A. Armstrong, Uxbridge, visited Mrs. Julius Ryland on Sunday.

Mr. Harold Whitstone and Miss Harriet McLachley spent Sunday with friends in Toronto.

Small House Plans

THE BLAKE has a long but narrow plan with hip roof and wide eaves. The brick fireplace in front forms a recess for front door. Entrance door is shielded from living room by corrugated glass partition. Two large bedrooms have ample space for furniture placement including twin beds in one. Each has two wardrobe type closets with storage.

Side entrance leads to kitchen and bedroom and has both broom and coat closet. Kitchen and dinette are combined with sink under front window, work counter under refrigerator window. Stove and serving counter are on inside wall.

Plans call for frame construction with a full basement. Exterior is finished with siding and an asphalt shingle roof.

The overall dimensions of the Blake are 40' x 26' with the floor area amounting to 998 sq. ft., while the complete cubage equals 19,461 cubic ft.

For further information about THE BLAKE, write the Small House Planning Bureau, The Newmarket Era and Express, Newmarket, Ont.

He likes to fish for bass and speckled trout. But, above all, he loves to give chase to the fleet-footed deer. He has a hunting lodge between Parry Sound and Burton. The hunting gang he originated 48 years ago have all gone the way of mortal man, but Frank Smith is as keen as ever. He has been doing the cooking for the hunting gang for over 30 years. He looks forward to continuing the art of cooking for the hunting gang for many years to come.

Old Aurora hunters of the past he gayly remembers: Joseph Watts, Bert Petch, Alf Love, Jim Knowles, Lou Banbury, Orlanda Brett, Wash Haycock and Wes Smith. Frank Smith recalls all of them as grand hunters of a by-gone day.

AURORA COUNCIL

(Continued Page 11)

Councillor Gundy presented a report from the planning board about the projected purchase of the land proposed to be used as a park adjacent to the new high school area. (This matter will be dealt with in our Council Sidelights in next week's issue, after we have had the opportunity to study the planning board report. Editor).

Councillor Gundy once more brought up the subject of the purchase of the land offered for sale to the town by Mr. Ross Linton. It was stated that Mr. Linton required a decision from council by June 12, latest. It was decided that members of council would inspect Mr. Linton's land on Monday, May 28, to enable a decision being arrived at at council meeting on June 4.

More land was discussed when the subject of a gift by Mr. Cousins was again revived. This is a piece of land from Cousins Drive to Edward St., and according to Councillor Davies, the subject of accepting or not accepting the offer from Mr. Cousins had been debated, off and on, during the past three or four years.

The mayor thought it was high time the matter was settled. "It's going to cost us nothing," he said, "and it would make a nice little park and playground for children."

"Where's the money coming from for upkeep," questioned the deputy-revee, his doubts being shared by Councillor Corbett.

On a motion by Deputy Reeve Murray, seconded by Councillor Gundy, it was resolved to hold a decision over until next council meeting.

A further planning board report affecting Wellington St. properties was presented by Councillor Gundy, and it will receive attention in our Council Sidelights in next week's issue, when study of the report has been made.

Parking Site

"We were to have a parking site by the United church, and so far not a single sod has been turned," asserted Councillor Corbett. "I very much doubt if anything will be done about it this year."

Councillor Corbett's criticism was directed against the board of trade's delay in getting anything

done to alleviate the traffic situation. The board of trade had undertaken to solve the parking problem, but, as Councillor Corbett averred, the situation was just where it was.

Mayor Bell was more confident. "It's coming along," he said.

"Yes, but when? Not a sod turned yet," repeated Councillor Corbett.

Council resolved that the parking site problem be taken up with the board of trade, asking that an explanation be furnished concerning the delay in getting underway.

Parking Meters

An animated discussion took place on the suggested advantages of the installation of meters. Mayor Bell supported the petition for installation of meters, but Councillor Davies provided a schedule of figures that appeared to show no favorable side to the matter. Nor did Councillor Davies consider that meters would solve their parking problems.

The mayor pointed to the Newmarket meter system as a model of success. Councillor Davies questioned the success of the meter system in Newmarket in solving the parking problem.

Reeve Cook took the view that the matter of parking space should be settled before council came to any decision on meters. Councillors Fielding and Gundy were in favor of the installation of meters.

A motion by Councillor Corbett, seconded by Councillor Davies, that meters be left over until the question of a parking site was settled was carried by a majority vote.

A petition, signed 100 percent by the Aurora barbers, asked for a by-law regulating new working hours and instituting Wednesday as a full closing day, was accepted by council.

By-Laws

Two by-laws introduced by Councillor Davies received second readings respectively. The first was for a \$250,000 debenture loan for the public school board; and the second was for \$20,000 for the Aurora Hydro Electric Commission (Frequency Standardization System).

(These and other matters covered by council will receive full attention in next week's issue of AURORA NEWS PAGE, in Council Sidelights. Ed.)

YOUNG HOPEFULS BY DOROTHY MUIR BOWMAN

Must Know They're Loved

Lois, at five years, isn't sure her mother loves her very much. She spends most of her play time next door with Judy, another five-year-old. Lois has seen numerous displays of affection that have been shown Judy by her mother.

On this particular day, the two girls had been playing 'party' in the backyard. After they were finished, Judy suggested that they show their mothers what they had used for the flowers on the table. (They had stacked a little pile of stones on the centre of the table and carefully stood blades of grass in the cracks.)

Lois was very much in favor of showing Judy's mother but didn't want to bother her own mother. Now, all mothers are busy people, and their offspring can be real nuisances at times. However, when the child doesn't realize he is a nuisance, he feels happier and more secure in his own home.

Judy's mother was in the midst of baking and couldn't easily leave her work but she said she wished she could see the centerpiece the girls had made—then she asked them to tell her all about it. Her interest was conveyed through conversation and there was scarcely any interruption in her work. The girls were delighted to have their original idea appreciated to such an extent.

Judy's mother thanked the girls for describing all about their entire make-believe party and sent Judy away with a wee kiss.

Judy still thought they should tell Lois' mother, but Lois was just as sure they shouldn't. Lois explained, "My mother doesn't love me as much as your mother loves you."

Judy questioned, "How do you know that?" Lois replied, "The only time she ever kisses me is when I go to bed."

It isn't as if both mothers didn't love both little girls equally. It's just that Lois misses the outward display of affection that Judy receives so she doesn't think her mother loves her as much as Judy's mother loves her.

Children need to know they are loved in order to feel secure in their own homes. Don't believe they should feel secure and happy because they are showered and surrounded with material possessions—they need to come in for their share of hugs and kisses in their own homes.

KAY CRESWICK WED

TO ROBERT M. SHAW

Very Rev. C. E. Riley officiated in St. James' Anglican cathedral, Toronto, on May 19, at the marriage of Catherine (Kay) Grace Creswick, daughter of Mr. and Mrs. Maurice G. Creswick, and Robert M. Shaw, son of Mr. and Mrs. Alan F. Shaw, Sharon.

The bride, given in marriage by her father, wore a gown of brocade taffeta fashioned with a stand-up collar and fitted tunic bodice. A coronet of orange blossoms held her fingertip veil and she carried white flowers and ferns. Mrs. Mary L. McIntosh was matron of honor while bridesmaids were Glenna Clark and Patricia Creswick. They wore taffeta gowns in leaf-green, orchid and yellow shades with matching lace and taffeta bonnets, and carried cascades of spring flowers. Groomsman was Richard H. Shaw.

At her home, the bride's mother received in aqua chiffon with corsage of pink roses. The groom's mother assisted in pink crepe with corsage of cornflowers.

Q'VILLE W.M.S. VISIT AT TRINITY UNITED

Queensville Evening Auxiliary of the W.M.S. visited the Evangelical auxiliary of Trinity United church, Newmarket, on May 8 and presented the program. About 65 ladies were present.

Mrs. W. E. Walton, the Evangelical president, opened the meeting with the singing of Psalm 100, "All people that on earth do dwell", followed by the Lord's Prayer. Mrs. Leonard Wellman, the Queensville president, took charge of the remainder of the program.

Quiet music was played by the pianist. Mrs. E. Warren gave the devotional, taking as her theme, "Gardens". This was followed

FACT AND FAIRY TALE

Have you ever been a coward? The 'flu took away any courage I ever possessed and when it came time for me, as district convener of public relations and community activities of the Central W.I. to go to O.A.C. for a three-day conference, my spirit fainted within, me and Mrs. Ross Armitage took over my responsibilities in that line.

Those who attend the District Annual in June, this year at Pine Orchard, will hear her exceedingly interesting report. We of the Bogartown W.I. heard a preview at the May meeting at the home of Mrs. Harry West. A few things she told us I'd like to mention here. One was the importance of local history. Children should hear stories of their local communities—they can be made as interesting as fairy tales.

This is one reason, Mrs. Armitage told us, that the Tweedsmuir book is going to be of such value. In it will be stored the records of each home and happenings in the communities, pictures of the places and people add to the interest and there are few places in York county on which history has not laid an arresting hand.

Antiques stored in attics should be treasured and a little museum started even if it's only in one room in a neighbor's home.

Dr. Maria Lantz, an Italian woman, gave a fine talk on world relations. She urged the Institute members to lead the way in showing how sympathy and kindness can create a better world understanding. A welcome to the stranger in a strange land means so much. Miss Anna Lewis, on the spur of the moment, presented Dr. Lantz with an honorary membership in, and the pin of the W.I. Dr. Lantz was deeply touched and as deeply appreciative.

One thing the conference urged. If you have a guest speaker, meet her, make her welcome and above all, give her a hearing, even if you have to leave business till afterwards. Cultivate courtesy and kindness at home and abroad and ask ourselves if we justify our place in the community. This is only a brief resume of an excellent report given in Mrs. Armitage's own inimitable style.

Snow White
Anyone who failed to attend the operetta on Friday night in the arena missed a delightful event. Tier rising above tier of young faces, eager, alert and gay, gave a splendid preview of the future citizens of Newmarket. And let me say here that the children's choruses were fine. We could hear every word which spoke well for enunciation and pronunciation, which the other half of the family and I always have been ears for.

And now, a word about the principals. The part of Snow White, taken by Patricia Dunn, was lovely. In her beautiful costumes she looked fairy-like and her voice was lovely. Clear and sweet and effortless—one heard every word. A tiny bit of stiffness in acting will disappear as custom gives confidence.

Alma Stephens as the queen was magnificent—and I'm not speaking of her costume, although it merited the word. Her part called for very real acting and it reached its climax in the witch scene in the cottage.

Her voice, always lovely, was heard to great advantage in solos and duets and like Snow White's, we heard every word.

Ken Morton as Carl the Huntsman looked the part and played it well. His voice was fine, but we missed some of the words. The same can be said of the prince as played by Lawrence Wright. He made a splendid prince and his voice too, left nothing to be desired, but here again we lost some of the text. The four principals were chosen with wonderful skill.

The little people of the woods in their daffodil and leaf green costumes were very dainty and sweet.

And now, I come to the dwarfs and anything cuter or more intriguing would be hard to find. We had our opera glasses and to look at those very young faces with the beards was irresistibly funny and in some queer way, pathetic. There was one—with a black beard that wobbled when he talked, who was a triumph. All in all, the dramatic director, Dorothy Bowman, the musical director, Herman Fowler, and the pianist, Jean Rose, can feel that they have added a real contribution to the musical history of Newmarket. And let me say here what I have said before, that in Jean Rose, Newmarket has an accompanist who will be heard of in the future. Sympathetic, accurate and obedient to the conductor's slightest move, she is a joy to watch, a joy to hear and I know, must be a joy to work with. She and Patsy Dunn are young and they belong to our town. It's up to us to encourage these artists of the future.

In closing, let me say that the public schools should make this an annual event. Think about it, please!

Old Landmark To Go As Former Smithy Razed To Make Way For New Garage

With the erection of the new King City Motors garage, a 75-year-old landmark will disappear, the history of which is rarely recalled. Built by John Hogan, a hotel keeper, it was used as a carriage barn.

Mr. Hogan, an uncle of Mr. Ross Stewart, King, carried on a thriving livery business in connection with the hotel. Nearby stables housed travellers' horses. The basement of the barn was used to winter-store apples grown in the Hogan orchards south on Keele St. Mr. Phillips also operated the hotel at a later date.

After many years the place was sold to the present owner, F. J. Armstrong, who sold the barn to Jack Edwards on condition he "would move it farther south". Mr. Edwards fixed the place for a blacksmith shop, later converting it into a garage. Ab Card took over the place as a garage operator, selling out to B. J. Langdon. After the close of the last war with the return of Pete Glass and John Armstrong from overseas service, it became known as King City Motors. The new garage, which will cost in excess of \$20,000, will be modern in every respect. A 40 by 60 foot building of cement block in white stucco finish will have hot water heating system and fluorescent lighting. It will be a far cry from the days when "Minnie Hogan", a famous trotting mare, cast her magic spell, little dreaming the hum of motors would one day take precedence.

A. E. Kelley is doing cement work on the building. D. M. Ross, the carpenter and Norman Taylor, Oak Ridges, is the electrician.

Sign Building Contract

The trustee board of S. S. 2 has accepted a tender from Aurora Building Co. for construction of an additional classroom and alterations to present building which include installation of a complete heating unit. It is expected an early start will be made, the new room to be opened this coming September. King township council gave third reading to a by-law on May 7 for a debenture issue of \$30,000 to meet expenses. A third teacher will be required for September.

Tag Day

Under the auspices of King W.I. a campaign for funds to support the Hospital Aid of York County hospital, Newmarket, will be organized for June 2. A house-to-house canvass will be made for this worthwhile work.

Brothers on Leave

Privates Gary and Eddie Bishop, members of 25th brigade reinforcements, Princess Pats, are on embarkation leave with their parents, Mr. and Mrs. Joseph Bishop. They return to Wainwright, Alta., on June 2. They left Fort Lewis, Washington, for Wainwright a short time ago, and on returning to Alberta will go on to Seattle. They are in the same anti-tank platoon.

They say "the army is a good life for single fellows". Rising at 6 a.m. suits the boys despite the fact they were engaged in civil work which required regular hours. The brothers look well and say they are anxious to get on to Korea, "tired of waiting around for the call".

They have seen Leo Anthony and Donald Cundell, Aurora, now in Korea, also Paul Mesley, formerly of Temperanceville, now in Korea. "You would hardly know Paul, he is a big fellow now," they said. They have also seen Wilf White, who was at Lake Wilcox one time.

Wins Fellowship Award

Jim A. Snelgrove, a student in honor chemistry at the University of Toronto, will receive the National Research council fellowship worth \$1,200 a year. He was one of three at that university to receive the scholarship, given by the federal government. He will continue on through the summer months at the university with only two weeks' holidays. Next term the student will be qualified for the degree of doctor of sciences.

Graduates O.A.C. at Guelph

Roy Richards, King, has completed his fourth year degree course in the science of agriculture, graduating from the Ontario Agriculture College, Guelph. He has been appointed assistant to the agriculture representative of Norfolk county, stationed at Simcoe, where he and his wife moved from Guelph during the weekend to take an apartment. Mrs. Richards was at the college library at Guelph before and after their marriage. Graduation exercises were held on Tuesday when the parents, Mr. and Mrs. Jesse Richards, Mrs. Richards, Jr., and her parents, Mr. and Mrs. Forest Oliver, Teston, witnessed the ceremonies. Congratulations are extended to Roy.

Returns From U.S.A. Trip

Norman D. MacMurchy has returned from a 5,000-mile trip in the United States. He went to Arizona a month ago and from there visited Mexico and Southern California. The best farming land he saw was around Lordsburg, while a great deal of waste land was noted in Wyoming. He was disappointed with the Grand Canyon and the Boulder Dam. In Nevada there is wide open gambling. The Gold Nugget of Las Vegas, a noted gambling place, has been opened 24 hours a day, 365 days a year since 1927. It employs a staff of 500.

At Salt Lake City, Utah, the only beverage is fruit juices or milk. Tobacco is also out. There are beautiful homes and no slum sections exist in the city. He heard the famous 375-voice choir which broadcast on Sunday. The Mormon Temple, a sister of the main temple, seats 8,000 and has the largest pipe organ in the world.

W.M.S. Group Hears Missionary

Missionary societies of King and Laskay United churches were well represented at the rural rally, Toronto Centre Presbyterian, at Aurora May 17. Fourteen were from Laskay and nine from King. Mrs. M. R. Jenkins, a presbyterial vice president who convened the program, gave the closing prayer and thanked all who had assisted in presenting the excellent program. The address entitled "Treasure Trail" by Mrs. R. S. Longley, a missionary in China for 32 years, was inspirational, giving much food for thought. Refreshments were served by Aurora groups.

Eversley W.A.

At the May meeting of Eversley W.A. at the home of Mrs. T. L. Williams, three little girls took the spot light. Carolyn Shropshire, five, sang two hymns accompanied on the piano by her mother. Judy Armstrong, seven, played piano number, "The Butterfly" and "The Blue Bells of Scotland". Donna Brown, seven, gave an interesting recitation. Mrs. Watson Ferguson gave a reading and Mrs. F. Armstrong lead a "tree" contest. With Mrs. Albert Jones presiding, it was agreed to pay \$50, the cost of painting the church roof. Arrangements will be made for a fall bazaar on which the report will be made by Miss J. Gellatly at the regular meeting at the home of Mrs. James Ball, June 5, at 2:30 p.m. when the bazaar shower will be "novelties". Mrs. Williams gave a fine exposition on the 23rd Psalm as the Scripture lesson. Mrs. Scott Bovair offered prayer. It was reported that the organization had donated \$5 to the Christian Hebrew appeal in April.

Laskay United Anniversary

Anniversary services at Laskay United church will be held on Sunday, May 27. In the morning Rev. Donald Ray, Kettleby, will preach and Temperanceville choir will assist. Rev. Houston, Victoria Square, and a visiting choir will conduct the evening service.

Eversley Presbyterian W.M.S.

met at the home of Miss Jessie Gellatly May 16. The minister, Mr. David Wotherspoon, spoke on missions. Mrs. Fred Curtis presided. Anniversary services for Eversley church are tentatively set for June 17.

New pupils of Miss Dorothy Armstrong's piano studio are Grace and Bernice Sprague, Kettleby, students of S. S. 11.

Mrs. A. J. Gordon, Mrs. Ivan Specht and Mrs. Roy Hollinshead attended the York County hospital open house with afternoon tea at the nurses' residence, Newmarket, on May 16. They were among a large number of visitors welcomed by Mrs. Rogers and Miss Thomas, superintendent of the hospital.

Miss Lily Anderson, Mrs. Howard Neill and Mrs. Gordon Wells will be delegates of King W.I. branch at the district annual, June 5, at Pine Orchard.

Mr. Eddie Depew had his 40th birthday on Monday. From here on, he gets no older as far as anniversaries are concerned.

Mr. John Whalley was groomsmen for his brother, Roy, on Saturday, May 19, at his marriage, consecrated in Donlands United church. Their mother, Mrs. Amelia Whalley, was unable to be present. She is in Toronto East General hospital suffering a paralytic stroke and a fractured hip.

Sunday guests of Mr. and Mrs. R. H. Benson were her sister, Mrs. John Rickard, husband and two children, and her mother, Mrs. W. G. Hay, Master David Rickard, all of Newcastle, and Miss Beverley Hay, Toronto, also Mrs. Benson's sister.

A Mother's Day gift to Mr. and Mrs. Roy Bowen was a daughter, Betty Anne, born at York County hospital, Newmarket, May 13. She weighed six lbs., three ounces.

Sir Ellesworth Flavell and Lady Flavell entertained a few friends at their home, "Kingswood", on Friday evening when Sir Ellesworth showed views of Jamaica which he had filmed while on vacation there this year. Pictures of flowers, the beauty of which Sir Ellesworth catches at their best, were also enjoyed.

Mr. Alex Bishop, war vet,

Whitby, with his wife and baby daughter, Geraldine Elizabeth, spent Sunday with his brothers, Garfield and Eddie Bishop, on army leave at the home of their parents at Sfrange. A sister, Sadie, Toronto, also called during the afternoon.

Miss Carol Hatley, Eversley, celebrated her 13th birthday on May 18 by a shopping expedition in Toronto. She is a member of Aurora Pony club.

Several young couples from King, along with others of Aurora high school, will board a Langdon bus for Niagara Falls on Saturday, May 26, to see both the Canadian and American Niagara area. The plan was originated by John Langdon, head boy of the school student council body.

Mr. and Mrs. Fred Mills and their two children of Toronto were recent guests of Mr. and Mrs. W. F. Hood.

Miss Gerry McDonald, having concluded her year at university, will go to St. Andrew's, N.B., for the summer at Hotel Algonquin. Miss Anne Boulding, Aurora, will accompany her.

Mr. and Mrs. Chas. F. Johnston and their daughters, Marjorie and Gladys, expect to motor to Montreal early next week for a few days.

Returns After Month in Hospital

Miss Elsie Legge came home last Friday after a month in the Western hospital Toronto. A member of Aurora public school teaching staff, Miss Legge became ill a week after Easter and later on was removed to hospital. While she is improving she will not return to her classroom this term.

Mrs. G. Walker entertained Eversley school classmates for her twin children, Jane and Bobby, who celebrated their ninth birthday on May 13. On Saturday, Mrs. Walker motored to the young guests to the theatre at Richmond Hill for the matinee, returning them to her home for refreshments. The children are in grade four.

Miss Alice Ferguson, Miss Jessie Gellatly and Miss Carole Muske spent a day with Mrs. Chas. Trench, Pine Grove.

The Britton Riddell family has moved from the third concession to the home place, "Highland Home", while the parents, Mr. and Mrs. John Riddell, have moved to a farm on Yonge St. south of Aurora. John, Pat and Joan are finishing out their grade work at Eversley school until the close of this term.

Mr. Geo. Armitage, provincial game overseer, is improving in health after two weeks in Sunnybrook hospital.

Furniture 'Freshened up' by W.I.

Sixteen chairs in York County Home for the Aged, Yonge St., are the brighter for a good coat of pastel green paint, done by members of King Women's Institute last Thursday and Saturday. It was only part of the project adopted by the W.I. to brighten the surroundings of the old ladies' sitting room which serves as a dining room as well. When finished, chintz plastic window drapes, nearly completed, covers for backs and seats of the chairs, table cloths, and other touches everyone admires in a comfortable room will be added. A chesterfield and a studio couch, and an occasional chair have been donated. Those who used the paint brush were Mrs. Ivan Specht, Mrs. L. Shropshire, Miss Lily Anderson, Mrs. E. Cummings, Mrs. Gordon Wells, Mrs. Aubrey Campbell, Mrs. A. E. Jarvis, Mrs. D. Williams, Mrs. J. Phillips and Miss Kay Clark.

In the interests of the W.I. talent money, Mrs. Colin Stewart gave a court whist at her home on Friday evening, raising \$3.

Teachers in Convention

Miss Eva Dennis, Miss Doris Patton, Mrs. Marguerite Gellatly, Miss Freda Farley and Miss Mary Green were among the 30 teachers present at the half day convention for teachers of King township at Weston last Friday afternoon. They could visit the senior elementary and two junior elementary schools. In the senior school, a modern building with perfect acoustics, where grades 7 and 8 are taught, it is found the new system is working out very satisfactorily. By association in social life, sports and mutual interests, those grades are more easily adjusted to high school the principal pointed out. Refreshments were served by teachers and principals of Weston. Inspector Charles Howitt was present.

King Township Teachers' Association will hold the annual banquet on Thursday, May 31, at Ridge Inn.

Celebrates 81st Birthday

Early this month Mr. Charles Neill celebrated his 81st birthday when a family dinner was held at his Eversley home. Present were his children, Howard and Mrs. Frank Armstrong, Jr. of Eversley, Roy of Nobleton and Mrs. Arthur Caldwell of Shanty Bay. These families including Mr. Neill's six grandchildren made up a merry party. He was presented with an electric razor. Later, his sister, brothers, nieces and nephews, 40 strong, offered congratulations and gifts. Mrs. Neill assisted her husband in reception of guests.

Miss Carole Muske arrived by plane at Malton airport on Tuesday of last week after more than six months in Western Canada. Last October, Miss Muske went to Prince Albert, Sask., to visit with her father who is 84. Shortly after her arrival Mr. Muske fractured a limb with the

result he and his daughter moved to the "Cathay" apartments in Victoria, B.C. When Miss Muske left that city flowers were blooming profusely although a prolonged dry season with temperature at 80 degrees prevailed. Anniversaries Celebrated

Mr. and Mrs. Charles Johnston entertained at a small family gathering over the weekend of May 11 when a brother, Mr. Morgan Johnston, and his wife of Montreal, Mrs. A. E. Powell of Shaker Heights, Cleveland, Ohio, a sister of the hostess, were special guests for the reunion.

May 11th was the 24th wedding anniversary of Mr. and Mrs. Morgan Johnston while May 15 was the 26th anniversary of the Charles Johnston's. A handsome anniversary cake, mounted with candles, given by the host and hostess in honor of the Montreal couple was a touching surprise for them. Others present were Mr. Geoffrey Johnston, a son of the household, and his wife Mary, Toronto, Colonel and Mrs. Usher and Mrs. I. Wilson. On the following Monday the anniversary couples were guests of Mrs. Powell at a luncheon in Toronto, attending the show "Kiss Me Kate". The other visitors entertained at a dinner after the theatre.

All Saints W.A. All Saints W.A., meeting at the home of Mrs. D. Rawlings on May 16, heard a very fine report of the Diocesan Board annual meeting held at St. Anne's church earlier in the month. Given by Mrs. H. H. Alexander, one of the delegates, with Mrs. R. Burt, the president, and Mrs. G. Wells, she spoke of the Holy Communion service held in St. James church attended by 1,150 women. Rev. H. G. Watts, D.D., field secretary for the M.S.C.C. and a returned missionary from India, spoke on mission work. Mrs. Ross Walker, Girls' Auxiliary, told of the achievements of this group, attending the annual Festival when 16 badges of merit were won by the girls, an outstanding achievement over other groups.

On Thursday, May 17, Mrs. Rawlings, Mrs. Ross Walker and Mrs. Len Robb attended the annual meeting of West York Deanery of the W.A. held at Bradford. With others of St. Stephen's W.A. they motored there with the rector, Rev. D. C. H. Mitchell. Mrs. Rawlings gave the summary report of All Saints organization to the meeting.

Plans have been completed by All Saints W.A. for the garden sale of plants and vegetables and home baking to be held at the church, on Saturday, May 26, at 3 p.m. Many orders have already been placed. This event is well known and draws many patrons annually. The next meeting of the auxiliary will be held at the home of Mrs. Alfred Gillham, on June 20 and on July 26, plans are being made for a public strawberry festival, Mrs. L. Robb convening.

At King United church on Sunday, May 13, baptismal ceremonies were held by Rev. M. R. Jenkinson for two children, Dianne Marie Parsons, 11 months, daughter of Mr. and Mrs. John Parsons, and Paul Raymond Love, eight months, son of Mr. and Mrs. Raymond Love (Gloria Campbell), Toronto. Miss Janet Langdon sang "My Task" and the choir sang a Mother's Day hymn.

On Sunday afternoon at Laskay United church, Mr. Jenkinson officiated for the baptism of Bruce William Follitt, four months, son of Mr. and Mrs. Ross Follitt, and Barbara Ruth Bryson, three months, child of Mr. and Mrs. Jesse Bryson.

Following the evening service at King, Mrs. Aubrey Campbell entertained in honor of baby Paul Raymond Love, whose grandfather, Earl Campbell, is a cousin of Aubrey Campbell. Twenty were present including the child's parents, Mr. and Mrs. Raymond Love, the grandparents, Mr. and Mrs. Earl Campbell, the great grandparents, Mr. and Mrs. Frank Campbell, and the baby's grandparents, Mrs. Everett Wiltshire and Mrs. Ray Moore, Toronto; and the child's maternal aunts, Clara, Shirley, Earlene and Jerry Campbell.

Also present were Rev. M. R. Jenkinson and his wife, Mr. and Mrs. Harry Ratcliffe, Mr. and Mrs. Philip Ratcliffe.

Forsaking what she termed merely a "useful life" for that of a missionary, Miss Connie Purser, a graduate of the Anglican Training College, Toronto, told the Girls' Auxiliary of All Saints church why she believes "service before self", the G.A. motto, is the real meaning of life. The speaker addressed a gathering of 35, most of whom were mothers and daughters assembled for the annual banquet of the junior auxiliary Monday evening at the church.

Introduced by the president, Mary Jane Walker, Miss Purser spoke on "The G.A. and the Missionary". She will go to Osaka, Japan, this mid-summer to teach English in a girls' high school. Becoming a missionary was farthest from Miss Purser's mind, even as a member of a G.A. "I

am just that now because you are my boss," she said pointing out the close relationship between those who send emissaries of the Gospel and those who go.

Mrs. Ross Walker, leader of the G.A., was presented with a box of candy by Norma Wells on behalf of the auxiliary. The toast to mothers proposed by Freda Dent was replied by Mrs. Gordon Wells who spoke of the privilege of religious freedom. Suzanne Grew gave the toast to the G.A., replied by Rev. D. C. H. Mitchell, who said the auxiliary not only trains for useful citizenship, it is a link in the family of God. Miss Janet Langdon sang two solos accompanied by Freda Dent. Mrs. Walker expressed her pride in the auxiliary, thanking the speaker for her inspiring remarks.

ELMHURST BEACH

The W.A. of St. Paul's church, Jersey, will hold a euchre in the basement of the church on the evening of June 5 at 8 p.m. Prizes and refreshments.

Lakeview bowling league had a very enjoyable evening May 19. A delicious supper was served at Briers Golf course at which about 50 people were seated.

The winning team consisted of Carl Anderson, captain, Mrs. Edna Sedore, Mrs. Mabel Dew, Mrs. Gladys Mathews, Joe Williams, Ralph Huskinson.

This winning team received trophies and three remaining teams also received gifts. Congratulations and many thanks to our committee in arranging such a successful banquet.

ANSNORVELD

Mr. and Mrs. A. C. Klemm and two daughters of Toronto were guests at the home of Mr. and Mrs. T. Miedema.

Mr. and Mrs. J. VanderVrede, Port Weller, were weekend guests of Mr. and Mrs. G. Maris. Rev. Bos, Owen Sound, conducted the service at the Christian Reform church here on Sunday. Plans for a Citizens' Day on May 23 are in progress and an open air meeting is planned for that day.

Members of St. Paul's church Jersey's W.A. visited Bradford at the Deanery meeting Thursday, May 17, and enjoyed a very lovely day. Representatives were Mrs. T. Lowndes, Mrs. Muirhead and Mrs. S. F. Wright.

Visitors to Elmhurst Beach were Mr. and Mrs. James Wood of Port Credit at the home of Mr. and Mrs. J. J. Williams, also Mr. and Mrs. Carl Sheppard and their two sons have enjoyed their holidays so much at Lake Simcoe that they have decided to purchase a lot and build at Glenwood Beach.
